

ACKNOWLEDGEMENT

I am deeply indebted and would like to express my heartiest gratitude to my thesis supervisor Dr. U. P. Singh, Principal, T. D. (P. G.) college Jaunpur, who has guided and advised me throughout the period of preparation of this work by making constructive suggestions and encouragement from time to time.

I am also grateful to Dr. Rajesh Kumar, Ex Faculty Dr. Ambedkar Institute of Technology Kanpur for his helpful co-operation and constant encouragement throughout the present work. I am also deeply grateful to Dr. Sandesh Gupta, Assistant Professor, U. I. E. T. Kanpur, Dr. A. P. Srivastva, senior lecture D. B. S. College Kanpur and Mr. Rajeev Mishra Assistant Professor, M. P. E. C. Kanpur for his stimulating encouragement and help required to complete this work. I am also thankful to Dr. S. K. Mishra Ex. Principal D. B. S. College Kanpur for his valuable co-operation.

I am deeply indebted to Dr Ashutosh Dwivedi, Dean, Maharana Pratap Engineering College Kanpur, Dr. Vivek Singh, Dean, Maharana Institute of Professional Studies Kanpur and my other colleagues for his valuable co-operation during my research work.

I am also indebted to my father Sri Bhagavti Prasad Gupta, mother Smt. Rakesh Kumari Gupta, my wife Smt. Roli Gupta and my son Archya for their encouragement to complete this work. I am also thankful to my younger brothers and sister for his consistent support.

I would like to thank Dr Ramji Pathak, head department of Physics T. D. (P. G.) College Jaunpur and other authorities for extending necessary research facilities when required. Thanks to Central Library I. I. T. Kanpur, where we consulted the journals. I also wish to thank Mr. Jairam for his unfairly patience in typing the thesis.

No words of thanks can be enough to Holy God, holy omnipotent and holy immortal who remains symphethic during my hard days.

Finally I wish to thank once again to all including names and those names that have escaped my imagination.

November, 2013

(Sudhakar Gupta)
