ACKNOWLEDGEMENTS

I wish to keep on record my deep sense of gratitude to Dr. P.C. Kesavan, Associate Professor, School of Life Sciences for his valuable guidance, advice and constructive criticisms during the course of this research work.

I am also thankful to Prof. Sivatosh Mookerjee, FNA, Dean, School of Life Sciences and Prof. P.N. Srivastava, FNA, Rector, Jawaharlal Nehru University, for providing me the necessary facilities and their constant encouragement.

I am grateful to Dr. A. Srinivasan for many practical suggestions and thoughtful discussions. To Javed and Veena for reading the manuscript, for making helpful suggestions and for personal kindness far too numerous to record.

I am indebted to Mr. A. Ahmad and Mr. M. Aslam, Centre for Regional Development, JNU, for the necessary statistical assistance.

Thanks are also due to Messers Pehluddin, Sudarshan, Laxmi Chand and Prem Singh for their laboratory assistance during the course of the experiments. To Mr. Ram Prasad for his careful typing and to Mr. R.N. Saini for artistic and photographic work.

Financial help from University Grants Commission during the tenure of this work is greatly acknowledged.
