ACKNOWLEDGEMENT

First and foremost, praises and thanks to the God, the Almighty, for His showers of blessings throughout my research work to complete the research successfully.

Completion of this doctoral dissertation was possible with the support of several people. I would like to express my sincere gratitude to all of them.

First of all, I am extremely grateful to my esteemed guide, Prof. (Dr) Nitin B Ghiware, Head, Department of Pharmacology, Nanded Pharmacy College, for his valuable guidance, scholarly inputs and consistent encouragement I received throughout the research work. His dynamism, vision, sincerity and motivation have deeply inspired me. He has taught me the methodology to carry out the research and to present the research works as clearly as possible. It was a great privilege and honor to work and study under his guidance. I am extremely grateful for what he has offered me. This feat was possible only because of the unconditional support provided by him. A person with an amicable and positive disposition, he has always made himself available to clarify my doubts despite his busy schedules and I consider it was a great prospect to do my doctoral programme under his guidance and to learn from his research expertise. Thanks Sir, for all your help and support.

I am also extremely indebted to Principal Dr. Sudhir M Vadvalkar, Head, CRPS, Nanded Pharmacy College, for providing necessary infrastructure and resources to accomplish my research work. I am very much thankful to him for picking me up as a student at the critical stage of my Ph.D.

I want to express my deep and sincere thanks to esteemed Hon’ble Shri. Ashokrao Shankarrao Chavan (President), Hon’ble Mrs. Amita Ashokrao Chavan (Vice-President), Hon’ble Shri. D P Savant (Secretary) and the other respected members of Shri Sharda Bhavan Education Society, Nanded, for giving me the opportunity to do Ph.D research and for their genuine support to
CRPS, Nanded Pharmacy College by creating and developing facilities which helped me to complete my work successfully.

I warmly thank Prof. (Dr) Surendra G Gattani, Dean and Director, School of Pharmacy, Swami Ramanand Teerth Marathwada University, Nanded, for his valuable advice, constructive criticism and his extensive discussions during my work.

I am extremely grateful to my parents for their love, prayers, caring and sacrifices for educating and preparing me for my future. I am very much thankful to my Mother (Pushpa), Father (Madhukar), Wife (Pradnya), Daughter (Kshitija), Son (Prihaan), Brother (Sikandar), Sister-in-law (Shubhangi), Brother-in-law (Ganesh Lone), Sister (Suvarna Lone), Nephews (Sudhanshu and Neil), Father-in-law (Kashinath Kamble), Mother-in-law (Shobhabai Kamble), Brother-in-law (Sandesh and Dinesh), Sister-in-law (Supriya), Brother-in-law (Milind Wathore) etc. for their love, understanding, prayers and continuing support to complete this task.

At this moment of accomplishment, I pay homage to Late Prof (Dr) Namdev Y Gond, Head, Department of Pharmacognosy. Under his guidance I successfully overcame many difficulties and learned a lot. His unflinching courage and conviction will always inspire me, and I hope to continue to work with his noble thoughts. I wish his soul roots in peace and solace in the heaven. Today, I can only remember his wonderful and gentle soul and his memories will forever remain in my hearts.

Most of the results described in this thesis would not have been obtained without utilizing other laboratories college beside the facilities of CRPS. I owe a great deal of appreciation and gratitude to Dr. Mahavir H Ghante, Head, Department of Pharmaceutical Chemistry for handling and conducting works on sophisticated instrument like UV, HPLC, etc.; Dr. Giridhar R. Shendarkar, Head, Department of Pharmacognosy, for phytochemical studies. My heartfelt thanks to Mr. Ashish B Roge, Department of Pharmaceutical Chemistry, for helping me to
carry out analytical analysis part of my research work. **Dr. Atul Chopde**, Assistant Professor, Department of Pharmacology, Appasaheb Birnale college of pharmacy, sangli, for helping me to carry out literature survey for my research work.

Prof. S K Kulkarni, Prof. Anil Kumar, Prof. Ranju Bansal, Prof. Poonam Piplani, Prof. Maninder Karan, Prof. Karan Vasisht, University Institute of Pharmaceutical Sciences (UIPS), Punjab University, Chandigarh to whom my sincere expression of thanks for providing me experimental hands-on-training on different aspects of Neuropharmacological, Analytical, Pharmacognostic and Phytochemical screening.

I am also thankful to **Dr. J. Jayanthi**, Scientist ‘C’ and HOD, Botanical Survey of India, WRC, Pune, Maharashtra, India for identification and authentication of plant materials. I would also like to thanks my friend **Mr. Ganesh Chaudhury** for helping me during the process of plant identification and authentication.

I also place on record, my sense of gratitude to member of **IAEC of Nanded Pharmacy College** for sanctioning animal study protocol. I would also thankful to **Dr. Atul Kansagara**, Wockhardt Pvt. Ltd. Chikalthana, Aurangabad, Maharashtra, for providing animals for my research work.

I would like to also thank **Mr. Satyavan Dhavale**, Sr. General Manager at Intas Pharmaceutical Ltd, Astron Division, Ahmadabad, India for providing me a gift sample of Diazepam, Haloperidol, Lithium Sulphate, Ondansetron, Pentylenetetrazol, Imipramine, Phenytoin (API) as a gift sample for research activity.

It’s my fortune to gratefully acknowledge the support of some special individuals. Words fail me to express my appreciation to **Mr. Sayyad Ali** for his support, generous care and the homely feeling at Nanded. He was always beside me during the happy and hard moments to push me and motivate me. During the inevitable ups and downs of conducting my research he often reminded me life’s
true priorities by what could be the influence of a loving God through Sudarshankriya. This helped me a lot to work for hours together tirelessly. I doubt that I will ever be able to convey my appreciation fully, but I owe his my eternal gratitude.

It is also a pleasure to mention my good friends, Mr. Narendra Waghmare, Mr. Ravi Sawant, Mr. Nitin Athawale, Mr. Rajendraprasad Gajjal, Mr. Saifulla Khan, Mr. Ashok Gaikwad (Mama), Mr. Vilas Jondhale, Mr. Bhagwan Hingole, Mr. Satyapriya Govande, Mr. Yogesh Baradkar, Mr. Om Mantri etc. for love, care, support and creating a pleasant atmosphere for me here.

I am also thankful to Mr. P.S. Tarte, Mr. M.M. Kumare for discussions regarding my project. My warm appreciation is due to my student Ms. Shubhangi Sadulwar and Ms. Sneha Kale for assisting me to carry out my research work.

I would also like to thank some people from early days of my research tenure. Dr. S.J. Wadher, Dr. S.S. Pekamwar, Dr. S.C. Dhawale, Dr. S.S. Patil, Dr. C.M. Jangme, Dr. D.R. Jadge, Mr. A.N. Deshpande, Mr. Ramling Patrakar, Mr. Shivling Jevle, Dr. T.M Kalyankar, Dr. Ayaz Ali, Dr. H.D. Une, Mr. R.V. Kshirsagar, Dr. A.D. Kshirsagar etc. among those who kept me going at the beginning.

This list is incomplete without acknowledging Dr. K.B. Burade and Dr. S.B. Bhise, who was the source of inspiration for me in my early College days and who taught me many things.

I am appreciative to my many students and my colleagues Mr. S K Sarje, Mr. S.B. Dhoot, Mr. V.N. Gunjkar, Mr. S.N. Firke, Mr. A.T. Sharma, Ms. R.M. Dhane, Mrs. D.V. Joshi, Mr. Mohd. Anwar, Mr. R.A. Waghmare, Dr. V.M. Kalmase, Mr. M.L. Ghainwad, Mr. A.K. Dhadve and Mr. C.P. Rathod for providing me positive stimuli.
My thanks go to non-teaching staff Mr. A.H. Jain, Mr. S.M. Gandras, Mr. B.S. Poshat (Librarian), Late Mr. S.R. Rakeshmare, Mr. D.P. Bhandwale, Mr. G.D. Dhage, Mr. G.S. Thakur, Ms. S.R. Mudiraj, Mr. S.K. Londhe, Mr. D.N. Sanghai, Mr. K.K. Daswad, Mr. B.T. Chavan, Mr. A.T. Naikwade, Mr. G.R. Narwade, Mr. V.K. Chavan, Mr. M.R. Pawar, Mr. S.S. Taur, Mr. D.B. Jadhav, Mr. K.P. Waghmare, Mr. V.D. Bhosle, Mr. B.S. Hople, Mr. G.S. Mandawad and Mr. Shivaji D. Sonkhedkar, Mrs. Vaijantabai D. Jamdade and Mrs. Laxmibai A. Gavare for their timely lend a hand.

Before I finish, I offer my regards to all of those people who supported me and offered me their knowingly or unknowingly gracious help in any respect during the completion of this research work; with my sincere apology, if I was not being able to mention them all individually.

Last but not the least, my unlimited thanks to number of experimental animals used and which sacrifices their life for finding the solutions to the aimed questions in this research work; without which the study would not have been possible, may god keep their sole in peace. I would always look out for ways to put in to practice, the ‘3R’ principles to make it easier, for animal welfare.

RAJENDRA MADHUKAR KAWADE
