ACKNOWLEDGEMENT

I thank the Almighty for His abundant blessing showered on me that sustained and helped me to complete the project successfully.

Beyond words I would express my deep sense of gratitude and indebtedness to my revered Guide Dr. C. Maya, Associate Professor, Department of Botany, Bangalore University, Bengaluru, for her earnest guidance, valuable suggestions and encouragement throughout the course of the study. Her profundity of knowledge, practical suggestions and constructive arguments has always drawn me closer to the subject towards the completion of this project.

I express my profound sense of gratitude to Prof. Anusuya D, Head, Department of Botany, Bangalore University, Bengaluru, for providing me the necessary facilities and support to complete this work.

I owe my sincere and heartfelt gratitude to Prof. D. H. Tejavathi, Prof. S. R. Ambika, Dr. Shivakameshwari, Dr. L. Rajanna, Dr. K. P. Sreenath, Dr. Nijagunaiah, Dr. Umesh, Dr. Shivram, Dr. Raveesha and Dr. Narayana Swamy for their constant encouragement, valuable advice and support offered throughout the course of my study.

I submit my deepest sense of gratitude to Mr. Makari. H. K, Assistant Professor, Head, Department of Biotechnology, IDSG Government College Chikmagalur, Karnataka, for their support throughout my project.

I would like to express my gratitude and thanks to Mrs. Jaladevi, Gunashree and Akshay for their support during my project.
I render my sincere thanks and gratification to Mr. Vinay, Research Scholar, Chikmagalur, Vidyashree, Shruthi, Vidhathri, GVKV, cousins Hemanth, Chethan (Vinu) and Sukrutha for their kind help for successful completion of this endeavour.

I place my bouquet of thanks to Dr. Jayaramu, Dr. Muniraju, Dr. Raviprasad, Mr. Narasimha Murthy, Mr. Thippanna, and all my laboratory colleagues, for their assiduous companionship and support.

I submit my deepest sense of gratitude to Mr. Chandrashekar, Dr. K. Nagaraj, Dr. Chikkalingaiah and Dr. Shivaiah of Agricultural University, GVKV Campus, Bengaluru for their help during literature survey, greenhouse and field experiments.

I record my sincere appreciation for the guidance and help in computer analysis of voluminous data from Mr. Surendra, professor of Agri. Statistics of Department of Statistics for his help in processing of data.

I owe the credit of this achievement to my uncle Chinnashamaiah and family without whose constant encouragement, help, moral support and affection have kept in aware of my career in education and i remain always grateful to them.

My special thanks to my father Byrappa and mother Padmavathi, sister Savitha, brother Raghunandan and brother Dr. Jayasheela, Professor, Department of Economics, Tumkur University, Tumkur, his wife Mrs. Manjula, and their son Vishal. for their abundant love, care, encouragement and support rendered upon me to climb the ladders of success throughout my life. I would like to express my indebtedness to my real energizers my in law’s Dr. Chikkarangaiah, Mrs. Parvathamma. I also thank my friends and relatives for their encouragement during the study.

Above all, I owe all my success to my beloved husband Dr. Nateshan.C.R, daughter Yashaswini. N.R and son Bhargav. N.R who sacrificed their most joyful days
and patiently endured long period during my study, but for their overwhelming support, constant encouragement, everlasting love and affectionate tolerance, it would have been impossible for me to complete this herculean task.
