List of Tables

Table 2.1   Comparing the Ground truth values with results   25
Table 2.2   Recognition Rate of different partial conditions of AR database   31
Table 4.1   Recognition Rate of different partial conditions based on template matching.   56
Table 4.2   Comparative analysis against different models   57
Table 5.1   Accuracy Rate of NN, SVM, HMM Classifier for each Classes   73
Table 5.2   Accuracy Rate of Fusion of Classifiers for each classes   74
Table 6.1   Comparative analysis of the proposed models   80
Table 6.2   Recognition results compared with contemporary models of partial face recognition.   81
