ACKNOWLEDGEMENT

I thank God Almighty the most beneficent and merciful for the blessings and opportunity to accomplish my task successfully.

In the first place, I am very much grateful to my research supervisor, Professor Dr. N. Krishnan, M.Sc., M.Tech., Ph.D., SM IEEE, Professor and Head, Centre for Information Technology and Engineering, Manonmaniam Sundaranar University, Tirunelveli who recognized me as a scholar to undergo the research. I am very much proud to have such an intellectual and a philanthropist as my supervisor. He has taught me not only the art of doing research but also to be a good human being. I don’t know what I would have done without the support of my supervisor who always reminds me of what is really important in my life and that learning help whenever I face problems either big or small. I want to thank him for that. It is a pleasure to express my gratitude wholeheartedly to his wife Mrs. S. Annam, his daughter K. Padmasundari, and his son K. Nallaperumal for their kind hospitality extended to me during my research discussion visits.

From the bottom of my heart, I express my heartiest thanks to the then Hon’ble Vice Chancellor Professor Dr. R. T. Sabapathy Mohan and Dr. S. Manickam, Registrar, Manonmaniam Sundaranar University for their help and support given to me.

I express my sincere thanks to Dr. S. Ravindranathan, Professor, Manonmaniam Sundaranar University, Tirunelveli for his inspiring suggestions, valuable discussions and ideas which immensely helped me in the research work and for his timely help on various occasions.

I express my heartfelt thanks to Professor Dr. K. Senthamarai Kannan, Department of Statistics, Manonmaniam Sundaranar University, Tirunelveli. Moreover he provided me the most needed unflinching encouragement and support in
various ways. His truly scientific intuition has made him as a constant oasis of ideas and passions in Engineering, which exceptionally inspires and enriches my growth as a human being, a student and a researcher. I owe a special note of thanks to Dr. M. Mohamed Sathik, Principal, Sadakathullah Appa College, Tirunelveli for his motivation and expert guidance and encouragement which has kept my sprits high throughout the course of my research.

I am grateful to all my professors especially Dr. E. Ramaraj, Professor, Department of Computer Applications, Alagappa University, Dr. G. Chandrasekaran, Director, Department of Computer Applications, Mepco Schlenk Engineering College, Sivakasi and Dr.G.Ravindran. Professor and Head, Department of Mass Media and Communication Studies, University of Madras, Chennai.

At this the glorious moment I convey my thanks to Professor Dr. S. Allwin Director, Infant Jesus College of Engineering, Thoothukudi who has given his whole hearted help towards my research work. His involvement with his originality has triggered and nourished my intellectual maturity that will continue benefit to me, for a long time to come.

I also express my sincere thanks to Dr. S. Somasundaram, Professor and Head, Department of Mathematics, Dr. P. Madhava Somasundaram, (Formerly Research Coordinator) Associate Professor and Head, Department of Criminology and Criminal Justice for the kind help they have extended on this research work.

Special thanks go to my colleagues Dr. Mrs. S. Saudia, Mr. P. Kumar, Mr. B. Balakumar, Ms. C. Divya, Mr. S. Muthukumar, Ms. D. Kiruba Jothi, Ms. R. Lotus, Mrs. S. Rajalakshmi, Ms. P.
