ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to Dr. T.P. Singh, Reader/Head, Department of Agronomy, A.S. (P.G.) College, Lakhaoti, Bulandshahr (U.P.) for this keen interest and guidance, constant encouragement, constructive criticisms and hortative suggestions during the entire period of my research work.

I express my sincere thanks to Dr. Harbir Singh, Former Head, Department of Agronomy, Dr. S.P. Singh, Reader, Dr. S.N. Dubey, Lecturer and Dr. O.V.S. Themua, Lecturer, Department of Agronomy, A.S. (P.G.) College, Lakhaoti, Bulandshahr (U.P.) for their valuable suggestions during the period of research.

The author is also thankful to the students of M.Sc. (Ag.) Pt IInd Agronomy of A.S. (P.G.) College, Lakhaoti for their help in carrying out this study.

I am highly indebted to my parents, brothers and sisters whose filial affection, love and blessings have been a beacon light for the successful completion of these achievements.

My special thanks goes to my beloved wife Mrs. Manju Singh and my son Abhishek and my daughter Swati,
who have been the source of inspiration, encouragement and affection without which it was not possible for me to complete this investigation.

I am grateful to the Principal, A.S. (P.G.) College, Lakhaoti, Bulandshahr (U.P.) for providing necessary facilities in accomplishing the field of study.

I am highly grateful and indebted to Sri Sanjay Agarwal, I.A.S., District Magistrate, Meerut whose constant and pursuing efforts always inspired me to face the obstacles and problems smilingly.

Dated: 9.2.99.
