It is my great privilege to express my deep sense of gratitude to **Dr. Chandrakant B. Kolekar, Principal**, Sahakar Maharsih Shankarrao Mohite-Patil Mahavidyalaya Natepute, Solapur for offering valuable guidance and extending spirited encouragement during the entire tenure of the investigation. I would like to place on record that the discipline which he infused in me has helped tremendously during the research work.

I offer greatest honour to express my sincerest gratitude to **Dr. Shrinivas B. Kulkarni**, Associate Professor, Department of Physics, *The Institute of Science, Mumbai* for unwavering support throughout my completion of thesis with his patience and knowledge. It was really a big experience to work with and to learn from him. I am so grateful to him for his endless trust of guidance and bottomless seek for scientific knowledge. I thank him not only for his insight resolving many problems encountered throughout my research and thesis writing, but also for his inspiring and encouraging way to guide me to a deeper understanding of research, his precious comments, for enlightening the path of my life with profound love for science. It was his support with which, I could overcome my personal and scientific problems and this work could not have been completed without his stimulating guidance and constant encouragement during the course of research tenure.

It is my honest duty to express the thanks to late **Prof. P. B. Joshi** who suggested the problem, provided inspiring guidance for the successful completion of my research work.

I express my gratitude to **Prof. S. S. Suryavanshi**, Director School of Physical Sciences, Solapur University, **Prof. L. P. Deshmukh, Prof. V. B. Patil** and **Dr. B. J. Lokhande**, School of Physical Sciences, Solapur University, for co-operation on the work.

I also acknowledge **Dr. D. J. Salunkhe** Department of Physics, K.B.P College, Pandharpur, for the valuable discussion about research work and providing lab facilities.

It’s my great pleasure to acknowledge **Prof. B. G. Kulkarni**, ex-director **Prof. Ajay Chaudhari, Dr. R. B. Kale, Dr. P. S. More, Mr. J. M. Patil, Dr. Y. S. Malghe, Prof. V. D. Mendhulkar, Dr. R. W. Raut** and lab staff from *The Institute of Science, Mumbai*.

I would like to acknowledge the financial support by **UGC New Delhi** through major research project **F. No. 41-952/2012 (SR)**. It is my kind duty to acknowledge **IITBNF, IITB** under **INUP** which is sponsored by **DeitY, MCIT, Government of India**, for providing all characterization facilities throughout my research work. I express special thanks to **Dr. K. Nageswari, Ms. Madhuri Mishra, Mr. A. Rawool and Mr. K. Patil** from INUP IITB for
valuable discussion and support during characterization. I am also thankful to Prof. S. Ramkrishnan, Prof. P.L. Paulose and Mr. G. Jangam from DCMPMS, TIFR, Mumbai for providing VSM facility.

I am thankful to Dr. Y. D. Kolekar, Dr. V. L. Mathe, Dr. R. C. Kambale and Dr. A. N. Tarale from Department of Physics, Savitribai Phule Pune University for discussion and providing lab facilities. I thank Dr. S. S. Mane, Mr. S. D. Chavan, Dr. P. M. Kharade, Miss. S. G. Dhumlal, Mr. S. G. Chavan, Dr. M. M. Sutar and Dr. S. R. Jigajeni for their active help during my research work.

I would like to extend my thanks to Shri. J. D. Mulik, (Vice-Principal), Mr. Sachin Pawar, Mr. N. D. Deshpande, Shri. S. S. Karpe, Librarian Shri. R. M. Patil and all staff members from S.M.S.M.P Mahavidyalaya, Natepute for endless support during my research tenure.

I am greatly indebted to my teachers, Shri. B. B. Navale, Dr. S. S. Dhasade, and Dr. P. B. Abhange from Vidnyan Mahavidyalaya Sangola for encouraging me towards research field. I am also thankful to Dr. A. R. Babar, Dr. J. V. Thombre, Mr. R. A. Bugad, Dr. T. R. Mane and Dr. B. R. Karche for constant encouragement, high spirit of co-operation during the research work.

Also it is my pleaser responsibility to thanks to my beloved friends Mr. Pravin Tirmali, Mr. Shivaji Patil, Mrs. Pallavi Padwal, Mrs. Priyanka Tirmali, Ms. Snehal Kadam, Ms. Priyanka Tavare, Ms. Sweta Jambale, Mr. Udayraj Yadav, Dr. Sopan Kharat, Dr. Atul Lavand, Dr. Atul Babar, Mr. Viraj Chabke, Mr. Tanmay Patil, Dr. Sandeep Pawar, Mr. Dayanand Gundre, Mr. Balaji More, Mr. Hiranand Khambayat, Mr. Jitendra Sawant, Dr. Vikrant Sangar, Mr. Lalit Samant, Dr. Nilesh Salke from The Institute of Science, Mumbai and Mr. Ravindra Shinde from Parbhani, who helped me with all possible ways during my work.

My special thanks to my teenager friends, Mr. Pratik Meshram and his family members, Mr. Shrath Kurup and his family members, Ms. Sarika More for endless moral support in my life especially during the period of research work. I am also thankful to Adv. Rahul Shinde and my M.Sc friends Mr. Mahesh Chivadshetti, Mr. Rushikesh Kadam, Mr. Ajit Khilare, Mr. Kiran Landge, Mr. Mahadev Mhetre, Dr. Sachin Navale, Mr. Rohan Kore, and Mr. Rahul Ingole as well as all research students from School of Physical Sciences, Solapur University Solapur.
I am greatly thankful to Shri. Tukaram Alsundkar and his family members, Shri. Shashikant Jare and his family members, Mr. Ganesh Bhosale for endless moral support in my life.

I would like to confess that even though I try my best, it is not possible for me to acknowledge and thank all those known and unknown faces individually for their direct and indirect contribution for the successful completion of this work.

I would like to express special greeting and supreme thanks to my brother Bapurao (Dada) and cousins Abaso, Abhimanyu, Jotiram, Sanjay, Vijay, Nitin, Vishal, Sahebrao, Dhanaji sisters Vidya, Uma, Vaishali, and Mavshi (Ujwala), brother in laws Balkrishna Jare, Ravindra Chalekar for their encouraging and generous moral support to the successes in my life and work. Extra special thanks to bundle of joys in my family Prashant, Subharaj, Shreyas, Subhashri, Pooja, Ankita, Sonali, Anvita and Akashra for their wonderful love which gives me great support.

At this Juncture I think of my parents whose selfless sacrificial life and their great efforts with pain and tears and unceasing prayers have enabled me to reach the present position in life. I hereby express my deepest appreciation and regards to my beloved Mother (Tai) and Pappa who were always supportive during my research work. I have no words to express my feelings of gratitude towards my all family members. Without their constant inspiration, encouragements and co-operation, it would have been impossible for me to complete this work.
