ACKNOWLEDGEMENTS

Words can never express my feeling of deep gratitude, indebtedness and reverence to my esteemed teacher and guide, Prof. Anil K. Raina, Head, Department of Environmental Sciences, University of Jammu, who has been a constant source of knowledge, inspiration and moral support to me; without his invaluable suggestions it would not have been possible for me to complete the present work. Despite his busy schedule he graciously rendered all the guidance and encouragement when and wherever needed. His keen interest and insight to make this compendium worth presentable is gratefully acknowledged.

I am thankful to all the faculty members of the Department of Environmental Sciences especially Prof. Raj Kumar Rampal, Associate Prof. Sanjay Sharma, Associate Prof. Piyush Malvia, Senior Assistant Deepika Salathia and Assistant Prof. Rakesh Attri for inspiring me to complete this work.

I express my sincere and wholeheartedly thanks to Dr. Neeraj Sharma (Assistant Prof., Institute of Mountain Environment, Bhaderwah Campus, University of Jammu), Dr. Ravinder Jangral, Mrs Pinkey Manhas and Mrs. Nazia Rasool as without them this work could not have been successfully completed. These are the people who guided and supported me to get into the research. Their untiring support shall always remain in my heart throughout my life. I express my highest regards to them.

I am extremely grateful to the authorities of University Grants Commission for the award of BSR fellowship during the period of my research work.

I am thankful to Department of Wildlife Protection for providing me necessary permissions and suitable assistance for conducting the field visits smoothly. I am also
indebted to the forest guards especially Sh. Madan Lal of Nandini wildlife sanctuary for accompanying me during my field work.

Field work was the most challenging part of my research which I couldn’t have accomplished without the help and support of my friends Dinesh Singh Baloria, Navita Sharma, Sachin Sharma, Ranjan Sharma and Poonam Kundan.

I am thankful to the Director of IIIM (Indian Institute of Integrated Medicine) Jammu for allowing me to consult herbarium. My personal thank to the scientists Dr. Bikarma Singh and Dr. Sumeet Gairola for helping me in identification of plants.

A friend is one of the nicest things you can have, and one of the best things you can be. At this note, I shall like to thank all my friends who have remained so concerned and kept this period so lively. I am grateful to my colleagues and friends Ravinder, Asadullah Sheikh, Dilip Dutta, Anu Sharma for constant encouragement, guidance, cooperation and moral support to compile this manuscript. With celestial smiles, I thank all my seniors, juniors and dear friends.

I am thankful to my colleague and friend Mrs. Shivani Sharma, (Lecturer, Mathematics) for her lovable behavior and inspiring words during the period.

I am also indebted to the Non-Teaching Staff of Department of Environmental Sciences, University of Jammu who have always helped me in timely fulfillment of every kind of documentary support. Assistance rendered by Mr O.P. Sharma, Mr. Vikram Thakkyal, and Miss Laxhmi is greatly acknowledged.

Thanks are also to Mrs Nishi Bamba, Incharge Librarian Deptt. Of Environmental Sciences, University of Jammu for providing the books as and when required.
Language seems to be an inadequate media to express my heartfelt gratitude for eternal affections, lively sentiments and constant encouragement from my parents Mr. R. L. Sharma and Mrs. Shashi Sharma for all their patience and every sort of support during the complete period of this study. I also express my sincere thanks to my Brother Raj Sharma, Bhabi Nisha Sharma and Sister Kiran Sharma, for their timely and kind co-operation at every step.

I owe my heartfelt thanks to my mother-in-law, Mrs. Neena Bakshi without her affable support and full cooperation, I would not have completed my research.

Contribution of my Husband Mr. Sachin Sharma during the research work remained significantly unique, indescribable as he always inspired and encouraged me from the core of his heart. His perseverance, guidance and understanding helped me stay on course, complete my thesis and fulfill my dreams.

Last, but not the least, all others who directly or indirectly rendered their precious assistance, in one way or the other are worthy of a special vote of thanks.

Jyoti Sharma
