Acknowledgement

Behind every successful work, there are efforts of many people, directly or indirectly. I take this opportunity to express my sincere gratitude, regards and thanks to all those who help me during this endeavor and contributed in making my thesis successful. I would like to express my prayer to the person who has made this endeavour the most special and valuable is my guide Late. Dr. Ravindra. C. Thool, who passed away in January 2016, for his constant help, guidance, encouragement and invaluable support. His guidance and encouragement have helped me to develop great enthusiasm and respect for research. Also, many thanks to Dr. V. R. Thool madam for her guidance, motivation, support, care and help, she is always source of inspiration.

I express my sincere gratitude towards my guide, Dr. Suhas. S. Gajre and Prof. Yashwant Joshi who has encouraged and provided invaluable guidance during this project work. It has been a great honour and privilege to work under his supervision and to be his student.

I take this opportunity to convey my sincere thanks to Prof. L. M. Waghmare, Director of Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded for his motivation and wholehearted support during the project work.

I am very much thankful to Mr. M. V. Vaidya, Head of Information Technology Department for providing help in every need during this work. I am also thankful to Dr. M. B. Kokare, Dean R & D, Dr. A. B. Gonde TEQIP Co-ordinator and Prof. B. M. Patre S.G.G.S.I.E.& T, Nanded, for providing conducive research environment as well acting interface between us and university.

My special thanks go to Mr. Kuldeep Pardeshi and Mr. P. D. Haldekar, who provided the requirements for carried out research work and became interface between University paper requirements and us.

I am pleased to my colleagues and friends, Piyush Asolkar, Sachin Uberhande, Pandurang Londhe, Mukund Nagare, Sushant Pawar, Raju Bhosale, Pratap Vikhe, Deepak Sonawane, Mininath Bendre, Narendra Jadhav, Manjiri Ranjanekar, Anupama Budhewar, Anuradha Pawar, Dipti Patil, Ajit Chowdhary, Prasnna Porwal, Satish Chavan for their help.

I devote this work to my parents, sisters, brother for all their love and support.

Above all, I praise and thank the God Almighty for having lent luck to me, for blessing me with success in this research work, and for having given me enough courage to remain content during tough times.

Finally, I would like to thank all the non-teaching staff and everybody who were
important to the successful completion of thesis, as well as expressing my apology that I could not mention their names explicitly.

Submitted with regards.
