LIST OF TABLES

CHAPTER 2
1. Summary of drugs inhibiting Wnt signaling pathway

CHAPTER 3
1. Chick specific gene primer list
2. Human specific gene primer list

CHAPTER 5
1. Chick specific Wnt and osteocyte gene primer list
2. Human specific Wnt pathway gene primer list
3. Human specific methyl primer list
LIST OF SCHEMATICS

CHAPTER 4:
   Schematic 1. Graphical representation of the study plan

CHAPTER 5:
   Schematic 1: Epigenetic modifier based cardiac differentiation and role of Wnt signaling in cardiac differentiation

   Schematic 2: Representation of the effect of sFRP4 on glioma stem cells
