Acknowledgments

This dissertation was greatly facilitated by the Calcutta Research Studies Nos. 1, 2, 3, 4, 5, 6, 9 and 10 of the Institute of Public Administration, New York. Of the five maps included in this study, Figs. 1, 4 and 5 are taken from the Calcutta Research Study No. 5, and Figs. 2 and 3 from the Basic Development Plan: Calcutta Metropolitan District, 1955-1958. The sources of Tables used in the study have been duly acknowledged in proper places.
