Acknowledgements

This is the time to acknowledge my beloved ones who influenced and supported me in pursuit of my doctorate. First and foremost, thanks to my parents their blessings and encouragement have taken me to this height.

I wish to express my deep sense of gratitude to Dr. T. B. Karegoudar, Professor Department of Biochemistry, Gulbarga University, Kalaburagi. Who has constantly guided, inspired and encouraged me in every aspect in completion of my research work. I am really lucky enough and honored to be able to work with such a person with high spirits for life. I would like to specially thank him for his patience towards me in many tough times during my research tenure. He will be remembered with great respect at all the phases of my life and I shall always be indebted to him.

I owe my sincere gratitude to Dr. Anand S. Nayak, Assistant professor, Department of Biochemistry, Gulbarga University, Kalaburagi, for his valuable guidance, friendly behavior and other technical related discussions throughout my doctorate tenure.

I express my sincere thanks to Prof. K. Sreeramulu, Prof. J. Lalitha and Prof. Paramjyothi S, Department of Biochemistry, Gulbarga University, Kalaburagi, for their help and support during my research period.

I am also grateful to, Retd. Prof. G. R. Naik, Prof. Chandrakant Kelmani, Prof. M. B. Sulochana, Department of Biotechnology and Prof. C. T. Shivannavar Department of Microbiology, Gulbarga University, Kalaburagi, for their timely help and support.

I am very much thankful to Prof. E. T. Puttaiah, Former Vice-Chancellor, Gulbarga University, Kalaburagi, for his suggestion to carry my research work in the Department of Biochemistry, Gulbarga University, Kalaburagi.

I am indebted to University Grants Commission (UGC), New Delhi for providing me fellowship (BSR) during the tenure of my research work.

I am also thankful to non-teaching staff, Gourish Matapathi, Ravi Tengli, Shantabai, Kamalabai, Sunil, Siddamma and Sharangouda, Department of Biochemistry, Gulbarga University, Kalaburagi, for their outstanding work of official and unofficial matters during my Ph.D tenure.
I would like to thank all the teachers of Mycemco English School, Ammasandra, Shubhodaya English School, Gubbi, Sri Siddaganga Pre-University College, Tumkur, JSS College, Mysore and Department of Biochemistry, Kuvempu University, Shivamoga, for providing me the basic knowledge towards science.

I am thankful to my seniors and labmates, Dr. Shrishail, Dr. Guruprasad, Dr. Sanjeev Dr. Kiran, Ramesh, Dr. Mukram and Pooja for their unparalleled help in accomplishing many of the research tasks and also their guidance and moral support.

I would like to thank for the valuable suggestions, encouragement and support provided by my research colleagues Dr. Jagadish, Dr. Vishwa, Naresh, Shankar, Neelkant and Sharda, from the home department and also thank my campus colleagues and friends, Dr. Ajaykumar Oli, Dr. Manjunath, Dr. Rahul, Dr. Sanjeev, Dr. Parmeshwar, Dr. Mohan, Dr. Vinod Patil, Dr. Prithviraj, Dr. Tathagat, Dr. Umesh, Siddartha, Pramod Desai, Dinesh and Basavaraj many more for their fruitful company, support and for making my stay at Gulbarga University enjoyable.

I extend my whole-hearted thanks to dearest friends, Raghu T P, Devaraje Urs, Harisha, Kokila mohan, Kothresh, Avinash and many more for their memorable love, care and approachable concern throughout the tenure of my education.

I am very much grateful to my relatives/cousins of JC Pura, Gopegowdana palya and Eraligere. A special thanks to my brothers/sisters/cousins, Dr. Akshata, Manasa, Shreyanka, Bindushree and Sushma, for their care, love, unstoppable talks, discussions, laughs, games, from my birth to till date and in future. And also, I extend my thanks to my beloved village ‘Thyagatur’ friends who gave an enjoyable company.

Besides this, several peoples ‘on and off screen’ have helped me in successful completion of my doctoral degree. I express my thanks to each and every one.

No words to thank my beloved affectionate Amma Mrs. Sulochana G S. The effort she made, the sacrifices and pain she took are the reasons behind what I am today. Some superior cheers to my younger brother Avinash T R. It would unbearable to achieve anything without the blessings of my Appaji Late Renuka Prasad T R.
