ACKNOWLEDGEMENT

Three postings – from South to West to Central India – in a short span of five years – a defence officer on move, who lives out of boxes literally - has many problems unique to the service. With this life style, a research work of this nature could only be completed by the generous support, guidance and help by people of many walks of life and I am greatly indebted to them. It is my pleasant task to express my gratitude to all those people, who contributed in many ways to the successful completion of this project and made it an unforgettable experience for me.

First of all, I pay homage to the departed soul of my mother Late (Mrs) Seetha, whose unflinching courage in battling a deadly disease like carcinoma, conviction & faith in me had been a source of inspiration for me throughout this project.

I would like to express my deepest gratitude & special appreciation to my supervisor Prof (Dr.) O.V.Nandimath, who had been a tremendous mentor for me. Without his patience, motivation, enthusiasm & immense knowledge, this project wouldn’t have been possible. His invaluably constructive criticism and truthful as well as illuminating views on a number of issues related to the project were priceless. He continually and persuasively conveyed a spirit in regard to research. I am grateful to him for holding me to a high research standard and am indebted for the continuous encouragement & guidance. His insightful comments and sound advice were thought provoking & helped me focus my ideas.

I thank Professor T. Ramakrishna, then Chairman of PG Council, Professor M.P. Padmanabha Pillai , Dr. H.K. Nagaraja for patiently listening to me during my first presentation. I am grateful for their encouragement, thoughtful comments & hard questions.

The suggestions by Professor V.S. Mallar Professor T.Sathyu Murthy ,Dr. Sai Ram Bhatt, Dr.Sandeep Desai, Dr.A.T.K Rau, Professor Mallikarjunaiah & Ms. KirandeepKaur who attended the presentations were very vital. I acknowledge gratefully for their contribution.

Mrs Vidya S.G., PS to The Registrar & Mrs M. Padmavathy, Examination Officer deserves special mention as they always had been there to listen and give advice. They helped me many a times to sort out the administrative details of my work.

I am grateful to the librarians of NLSIU Bengaluru , PGIMER Chandigarh , AFMC Pune for assisting me with my work , whenever I needed them.
I acknowledge the enthusiasm of Mr. John Varghese, Judicial Magistrate First Class, Alua, Kerala for being there always whenever I was in need despite his busy schedule.

Words fail to express my sincere gratitude towards Brig (Retd) J.A. Fernandez, and many other superiors and colleagues, the list may be too exhaustive, for their encouragement and support.

Special thanks to my family who helped me stay sane through these difficult years. Their untiring support, love, patience & care helped me overcome setbacks & stay focused on my project. I greatly value their unconditional love & deeply appreciate their belief in me. Their perpetual prayer for me was that sustained me, this far. The guiding spirit of my beloved mother had always been there as a guardian angel, whenever I was low.

Words fail to express my love & gratitude for my loving children Mahadevan & Madhavi who grew more mature for their age in these years, never demanding on my time.

I express my heartfelt appreciation to the intellectual curiosity of my loving, encouraging, supportive & patient husband Mr. K.R. Sanjayan, who motivated me to pursue my dreams. He was always there to cheer me up & stood by me through the times- good & bad.

I would like to thank all administrative & technical staff members at NLSIU who have been kind enough in their respective ways. Lastly, I thank God Almighty for showering his blessings on me and those around me.

I take credit of my own mistakes.
