ACKNOWLEDGEMENT

I don’t have words to thank the Creator of all, the Almighty Allah, without whose help it was never possible to complete this project.

I also want to record my deepest sense of gratitude to my supervisor, Dr Fayaz Ahmad Nika, Associate Professor, Department of Management Studies, Central University of Kashmir who put tremendous effort at every stage of this research study. Without his deep analysis and scholarly guidance this work could not have reached its logical conclusion. I would fail in my duty if I don’t place on record the affectionate behaviour of my supervisor which has been the motivational force behind this fast track research.

I am grateful to Professor Abdul Gani, Dean and Head School of Business Studies, Central University of Kashmir who has been very helpful in providing every kind of support and encouragement needed to carry out the work smoothly.

I am highly thankful to all the faculty members of Department of Management Studies Central University of Kashmir for their encouragement.

My thanks are also due to Dr Tariq Ahmad Jan, Department of Statistics University of Kashmir for helping me in Statistical Analysis and Interpretation of Data.

Last I want to place on record my sincere thanks to the Hon’ble Vice-Chancellor, Worthy Registrar and other authorities of the Central University of Kashmir for providing every possible support in completing this research work.
