ACKNOWLEDGEMENT

I feel immense pleasure to express deep and sincere sense of gratitude and indebtedness to my research guide Dr. (Mrs.) Dipali Devi, Associate Professor, Seri-biotech Unit, Life Sciences Division, Institute of Advanced Study in Science and Technology (IASST), Guwahati-35 for her constant, constructive and able supervision in each and every stage of my research which made me able to prepare this manuscript.

I avail the opportunity to acknowledge Prof. B.C. Tripathy, Ex-Director and Dr. N.C. Talukdar, Director, IASST for their kind co-operation and permission to carry out the research work at IASST.

I owe my obeisance and gratefulness to the Gauhati University Authority and Department of Zoology for facilitating me for fulfillment of necessary formalities to carry out this work. Cordial co-operation and useful suggestions from the members of the teaching staff of the department are also acknowledged.

Sincere thanks are also due to Dr. Nandana Bhardwaj, DBT BioCARe Scientist, for her advice, guidance and moral support. I also offer gratitude to Mr. Anupam Bhattacharya, Research Associate, Bioinformatics facility, IASST for his help in my research work. I am thankful to all the research scholars of Seri-biotech Unit, IASST, Mousumi Saikia, Manasee Choudhury, Anurupa Goswami, Monalisa Kalita, Rashmi Rekha Baruah, Saranga Dutta and Bijit Talukadar for their selfless help, encouragement and care. I offer my heartiest thanks to my dear friends Rabiya Sultana, Sima Kumari, Momita Das, Priyanka Sarma, Banashri Mech and Rahul Sarma. I would like to thank Dr. Arundhati Devi, Juree Pathak, Mr. Subrata Goswami and Mr. Bolin Das of IASST for their help during my research period.

I would like to take the privilege to pay my heartiest tribute to my father Late Khagen Ch. Kalita whose dream serves as a source of inspiration for me. I am indebted to my mother Mrs. Mala Kalita for her love, blessings and constant support to fulfill the dream. Her presence and concern acts as the driving force to complete my work. I would like to offer a ton of thanks to my beloved brother Deba Kinkor Kalita for everything. My respect and thank also extends to my parents in law Mr. Babul Ch. Haloi and Mrs. Rina Haloi for their ever inspiring role and support.
Special thank is offered to my dear husband Mr. Kishor Haloi for his love and support in every possible way. I am thankful to him for believing in me and for sharing my wish to reach the goal of completing this piece of work.

Last but not least, I extend my gratitude to my family members and well-wishers whose name may not have been mentioned here but none have been forgotten.
