ACKNOWLEDGEMENT

Words are inadequate to express my feelings while recording my deep sense of gratitude and respect to my supervisor Dr. Shashikant H. Gaikwad, Associate professor, Department of Chemistry, Shri Shivaji Mahavidyalaya, Barshi for his keen interest, valuable guidance, continuous encouragement, constructive criticism and showing me the excitement and joy of philosophy during the course of my research programme. I salute him for his unbroken faith in experimentation and deep quest for scientific knowledge. I thank him not only for the guidance, he rendered in the field of research but also for enlightening the path of my life with deep love for science.

My sincere thanks are due to Hon. Professor N. N. Maldar, Vice-Chancellor of Solapur University Solapur, for his encouragement, moral support and kind help during research work.

I gratefully acknowledge my deep gratitude to Hon. Dr. B. Y. Yadav, Chairman, Shri Shivaji Shikshan Prasarak Mandal, Barshi and authorities of Shri Shivaji Shikshan Prasarak Mandal, Barshi for their kindness in granting me permission for carrying out the research work.

I offer my humble and sincere thanks to Ex-principle Sopanrao More for his kind support and encouragement.

I am grateful to Honorable former Prin. Late Dr. M. M. Fartade for his kind encouragement and inspiration to carry out this work.

I am thankful to University Grants Commission, New Delhi for award of Teacher Fellowship.

I would like to express my deepest appreciation and respect to Principal prof. Prakash Thorat and Dr. T. N. Lokhande, Head, Department of Chemistry Shivaji Mahavidyalaya, Barshi for constant support, encouragement and providing all the necessary facilities.

My sincere thanks are due to Dr. M. B. Chavan and Dr. M. A. Anuse, former Professor and Head, Department of Chemistry, Shivaji University Kolhapur for fruitful discussion.
My special thanks are due to Prin. Prof. Vijay Ubale, Dr. Anil Ghanwat, Prof Sanjay Nawale and Dr. R. B. Bhosale for their co-operation and help in every aspect throughout this work.

Good scientific research could not blossom in an alienated desert; it is a result of fruitful discussion and co-operative exercise of many analytical minds. I thank Mr. Dattatray K. Jamale, Dr. Vashistha M. Gurame and Mr. Vithal M. Khaire who helped me to carry out the experimentation and to analyze the result with all their empathy and co-operative analytical mind.

I would like to express my sincere thanks to my colleagues Mr. S. S. Vibhute, Mr. S. G. Jadhav, Mr. S. H. Patil, Mr. P. R. Kate, Mr. J. P. Vidhate, Ms. A. U. Pawar, Dr. D. D. Karad, Mr. P. A.
