ACKNOWLEDGEMENTS

The researcher wishes to express her deep sense of gratitude and profound respect to Dr.K.Duraisamy, Principal & Head of the Department of Computer Science, K.S.Rangasamy College of Technology, Tiruchengode, for his valuable guidance, constructive comments and encouragement throughout the course of this study. It would have been really impossible to complete this research work which is essentially of an unending nature, without his keen interest and thought provoking suggestions. Discussions with Dr.K.Duraisamy at all stages of this work were an unfailing source of intellectual stimulation and led to numerous improvements in the study. The researcher's debt to him therefore is immense.

The researcher is equally indebted to Dr. R.Cauvery, Dean, Sri Sarada College for Women, Salem and Dr. U.K.Sudha Nayak, Controller of examinations, Sri Sarada College For Women, Salem, who have created the initial interest in the subject of this study and gave their ready help, invaluable support and encouragement in various ways from the very beginning of this research work.

The researcher is thankful to the Management and the Principal, Sri Sarada College For Women, Salem-16 for permitting the scholar to do part time research.

The researcher sincerely thanks her learned colleagues, who extended their timely help in different forms.

The researcher acknowledges the facilities for research provided by the authorities of K.S.Rangasamy College of Technology, Tiruchengode.

The researcher gratefully acknowledges the help rendered by the librarian, K.S.Rangasamy College of Technology, Tiruchengode in providing an easy access to books and journals for reference work.

The researcher extends her profound thanks to her family members for their constant encouragement and interest in the completion of this work.
