List of Publications

Journal Publication

A.K. Kundu, A. Biswas, A. Mukherjee, S. Bhowmick, J. Adhikari, D. Chatterje, Geochemical aspect and long term monitoring of arsenic concentration in multilevel piezometers under the influence of local recharge (Pond), *To be submitted in Journal of Hydrology*

**Conference Publication**

A. K. Kundu, D. Chatterjee, P. Bhattacharyya, S. Chakraborty, A. Biswas, S. Bhowmick, Groundwater geochemistry and arsenic mobilization: A field scale investigation in different hydrogeological set up, *13th ICOBTE International Conference Fukuoka, Japan (12-16th July, 2015)*

Debashis Chatterjee, Santanu Majumder, Ashis Biswas, Simita Sarkar, A.K. Kundu, Abhijit Mukherjee, Debankur Chatterjee, Subhamoy bhowmick, Harald Neidhardt, Zsolt Berner, Spatial heterogeneity of arsenic in a homogeneous groundwater environment of West Bengal, India. *4-th International Congress on Arsenic in the Environment, Australia 2012*
