

ACKNOWLEDGEMENT

I record my sincere thanks to the Principal **Dr. D. Paul Dhayabaran** and the management of Bishop Heber College for the permission and support given to me to do my research work.

I record my most sincere thanks to my guide and research advisor **Dr. S. Kalavathy**, Rtd. Associate Professor, Department of botany, Bishop Heber College for her valuable guidance, suggestions and her encouragement. I also thank her for devoting her valuable time in thesis preparation.

I record my sincere thanks to **Professor A. Alagappa Moses**, Head and Associate Professor, Department of Environmental Sciences, Bishop Heber College for his encouragement and support throughout my study period. I also thank the faculty of Environmental Sciences for their encouragement.

I acknowledge with gratitude my doctoral committee members **Dr. K. Kumarasamy**, Professor and head, department of Geography, Bharathidasan Univeristy, Trichy and **Dr. V. Gokula**, Associate Professor, Department of Zoology, National College, Trichy for their critical and constructive comments in shaping my research work.

I thank **Dr. A. Muthukrishnan**, Head, Department of Civil Engineering, PRIST University, Trichy for his help in map preparations and in geospatial applications.

I thank the Head of the Department of Zoology **Dr.Priscilla Suresh** and the **Faculty Members** for their support.

I thank Professor **D. Prabhakaran**, Joint controller of examinations, Bishop Heber College for identifying the plant species.

I am thankful to D. Sreenivasan, and Mahalingam, Department of Environmental Sciences for their involvement in accomplishing my research work.

I record my thanks to Mr. R. Raja, Saratha Xerox for typing my thesis.

I finally thank God for my parents for their constant support throughout my studies.

A.JOB MARTIN DURAI
