ACKNOWLEDGEMENT

Thanks to the Almighty for showering his blessings on me. No great endeavor in field is possible in solitude. It needs inspiration, guidance and help at every step. I pay my never ending gratitude to those who made it possible for me to complete this work.

It is really satiate my blissful desire to present earnest thanks to my teacher and guide, Dr. (Mrs.) S.K. Bawa in whom I could find an extra ordinary brilliance, unmatched wisdom and energy. She has deep cooperation of all times even at the cost of her personal ease. She made me to learn every challenge, to take right decision and motivated for building a self confidence in myself and to increase my compatibilities, which made me to accomplish my research work successfully.

I would like to acknowledge and appreciate the help and motivation provided by Aneet sir, my colleagues and friends. It would be the most inappropriate if I don’t acknowledge my indebtedness to all the respondents, who willingly provided data for the research.

I am grateful to my parents, brother & sisters who wanted to see my achievements in every walk of life. My other family members eagerly waited for my work to be completed. My Thanks go to my little kid Iknoor, who was some time ignored due to my work and above all my husband Jass, who cooperated me in every aspect of my life.

At last I am thankful to all the persons who really gave their contribution in the achievement of this task.
