

## Acknowledgement

First of all, I thank **Lord God Almighty**, who has made this happen in my life and who has given me the power to believe in myself and pursue my dreams

Firstly, I would like to express my sincere gratitude to my advisor **Dr. S. Nagarajan**, Principal (Retd.), Sri Sankara Bhagavathi Arts and Science College, Kommadikottai, for the continuous support of my Ph.D. study and related research, for his patience, motivation, and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D. study. I doubt that I will ever be able to convey my appreciation fully, but I owe him my eternal gratitude.

Besides my advisor, I would like to thank **Dr. A. Tamilselvi**, Associate Professor of English, Thiyagarajar College of Engineering, Madurai, who channelized my work to achieve my goal. It was under her tutelage that I developed a focus and became interested in female protagonists of Toni Morrison. She provided me with direction, technical support and became more of a mentor and friend, than a professor. Without her precious support, it would not be possible to do this research work.

My sincere thanks also go to **Dr. Janet Wilson**, HOD (Retd.), English Department, Sarah Tucker College, Tirunelveli, for her insightful comments and encouragement. It was through her persistence, understanding and kindness that I completed my thesis. With her enthusiasm, her

inspiration, and her great efforts to explain things clearly and simply, she helped to make literature exciting for me.

I would like to thank **Dr. S. Narayana Rajan (Nellai Kavinesan)**, Head of the Department of Business Administration of Aditanar College, Tiruchendur, for his timely support and guidance in doing my research work and other projects connected to it. I would also like to thank my cousin **Mr. M.C. Ramachandran**, Advocate, for the technical support he offered me during my entire thesis. I also thank my brother **Dr. S. Arul** and my sister-in-law, **Dr. H. Kiruba Jeyasonia** for their support. I also thank my brother's friends **Er. D. Kirubaharan** and **Er. A. Ramachandran** for their assistance.

Last but not the least; I would like to thank my **family** for supporting me spiritually throughout writing this thesis and my life in general. My parents, **Mr. A. Ramakrishnan** and **C. Jeyaseeli** receive my deepest gratitude and love for their dedication and the many years of support during my undergraduate studies, that provided the foundation for this work.
