The completion of this study has been made possible thanks to the invaluable assistance of a good number of people who gave me warm and kind support. To all of them, I would like to express my deep and sincere gratitude. Dr. Bhagwan Dass Arora deserves special mention. He had inspired and encouraged me to write this thesis after the completion of my M.Phil dissertation. Without his assistance and supervision, this thesis would have never been completed.

I would like to express my special gratitude to Dr. Ganganath Jha for his kind helps and supports. I would always be grateful to him. I would like to convey my appreciations to my teachers Prof. Parimal Kumar Das, Prof. Baladas Ghosal and Dr. Man Mohini Kaul and Dr. Dawa Norbu for his friendship, inspiration and frequent discussions.

In New

Here, I should also mention the helps I had always got from Indonesian families in New Delhi. They had always been kind to me and opened their doors whenever I visited them. They are Mas Imam Waluyo and Mbak Deliana, Bapak and Ibu Abu Bakar, Mas Sucipto, Bapak and Ibu Encim Harianto, Bapak and Ibu Maruli Tua Sagala, Bapak and Ibu Soeripto and finally Bapak and Ibu Ita Maria. Their generosity had made my life in India become much more bearable.

This study would have never been completed without moral support from my father and mother in Jakarta, Mas Suyono and Mbak Wati. I owe moral gratitude to my mother in Tuban, East Java and Pak Lik and Bu Lik Ris in Jogyakarta, Central Java. To my lovely lady Dr.Sri Rahayu Effendi I will always be grateful for her support, understanding and loyalty. Hopefully, this would become a solid foundation for our future life together with Iman and Islam.

To my friend Dinesh (ARPAN PHOTOSTAT) for sharing my burden with dedicated and cooperative spirit. Likewise I would also like to express my thankful to Yogesh, Pawan, Suman.
