Acknowledgement

It gives me immense pleasure to express my gratitude, feelings, regards and acknowledgement to those whom I respect, honour and remember their kindness and helpful assistance during the course of my PhD.

The dissertation got its final phase due to blessings, guidance, encouragement, vigilant supervision and critical assessment by my esteemed guide Prof. Vimal Kumar, Ex-Head & Professor, Department of Phytopharmaceuticals, Institute of Pharmacy, Nirma University. He is one of the teachers who attain eternity and can never say where their influence will stop. It is really difficult for me to find appropriate words to salute his broadness, forgiveness, simplicity and all time endeavors.

I offer my sincere thanks to Prof. Manjunath D. Ghate, Director, Institute of Pharmacy, Nirma University, Ahmedabad for his timely help throughout the project as well as providing infrastructure facilities for carrying my work.

I find no words to put when it comes to acknowledge the help, innovative ideas and guidance that I got from my RPC members Dr. Gaurang Shah and Dr. Sunita Goswami. They are always there to help me out from all difficulties and intricacies that came across during this work.

It is my extreme privilege to gratuitously convey my sincere thanks to all the faculty members of Institute of Pharmacy, Prof. Tejal Mehta, Dr. Niyati Acharya, Dr. Sanjeev Acharya, Ms. Nagja Tripathi, Dr. Vivek Vyas, and Dr. Dhaivat Parikh for their immense help and support during my academic carrier.

I shall be failing in my duties if I do not acknowledge the help and services offered by the non-teaching staff of the institute.

I would like to offer my warmest and deepest thanks to vice president, R&D IPCA, laboratories, Indore for providing the authentic sample of Artemether Artesunate and Dihydroartemisinin.

I offer my sincere thanks to Dr. Puneet Gandhi, Senior Research officer, Dept. of Research, Bhopal Memorial Hospital and Research Center Bhopal for carrying out my cell-line culture and fluorescent microscopy studies.

My most sincere thanks to Mr. Amit Nayak, Director PBRI, Bhopal for his vital and unconditional help and pertinent suggestion during my project in-vivo study. I deeply appreciate him for his understanding, constant encouragement and timely help.

A bunch of special thanks to Dr. A. K. Singhai, Dr. Ashok Rai and all LNCP colleagues not only encourages me, but also provided me great facilities and support that I never forget.
I am blessed with few good friends who deserve a special mention here Yaseen, Anuj Siddharth and Neeraj who helping, supporting, inspiring and encouraging me during entire period of my research work and shared the moments of laughter and sorrow. Thanks are very small word for their deeds and affection.

With all zeal and cheers, I express my thanks to my dear colleagues and car-pool members Dr. Anil Saxena, Rajkumar, Rahul and Shireesh, for helping, supporting, inspiring and encouraging during the entire period of my research work.

How could I forget my classmates and colleague Dr. Vivek, Dr. Gaurav, Dr. Avijeet, Dr. Piyush, Dr. Prateek Himanshu, Anurag, Ajit, Amit, Atul and Snajesh boss, with whom I shared moments of laughter and joy. No word of thanks but all complements for my dear all junior.

I deeply cherish in my heart the unconditional support and understanding offered by my lifetime friends Rinki, Pinki, Mannuji, Jijaji, Gun-Gun & Mun-Mun. No words can express thanks to them for their love, affection and lively company. Even from distance of miles they can sense my feelings and make me feel happy.

There are few friends with whom life becomes simple as worries fade away in their presence. At the every steps of this venture my wife Neha and daughter Cheeku shared with me all the moment of different colors and always kept my spirits up by her constant encouragement, selfless interest and trust in me.

Not forgetting Abhas, Archana, Nehama, Dadda-Chachi my dear all sisters, brother in-laws, brothers, sisters in-laws, nephews, whose patience, understanding, unfailing support and encouragement even in the most desperate circumstances inspired me in every step of the way.

Any attempt to acknowledge my Maa & Papa will be futile. They have energized me by blessings and emblems of love and care they have been showering upon me are my strength, whatsoever little I achieved in m whole life dedicated to them.

I remember the Lord RamRajaji Almighty who cradled me safely and comfortably through tough path listened to my silent prayers.

Finally, I would like to thank everybody who has been instrumental to the successful realization of this thesis either directly or indirectly and whose names I have unknowingly missed out in making this project worthy endeavor.
