## **ACKNOWLEDGEMENT**

*The present research work has reached its zenith with the constant help and encouragement from many people. First and foremost, with great pleasure and reverence, I express my deep sense of gratitude to my supervisor Dr. (Mrs.) Santosh Nandal, Professor, & Head Department of Economics, Maharshi Dayanand University, Rohtak for her valuable guidance. Her supervision and inspiring discussion has left on indelible imprint on my research work. It has been indeed an extreme privilege and one of the most rewarding experiences of life to have been associated with a person of her calibre.*

*I express my sincere gratitude to Dr. Himmat Singh Ratnoo, Associate Professor, Department of Economics, M. D. University, Rohtak, for his suggestions and encouragement.*

*I express my sincere gratitude to Dr. Anita Dagar, Professor, Department of Economics, M. D. University, Rohtak, for her suggestions and encouragement.*

*I am also thankful to Dr. Shobha Chaudhary, Department of Economics, M. D. University, Rohtak, for their support, encouragement and suggestions.*

*I also express my thanks to the non-teaching staff members in the department for their friendly behaviour.*

*I record my appreciation for cooperation rendered by Central library staff of M. D. University, Rohtak, NIPFP library of New Delhi and ISST library, New Delhi.*

*I would like to thank the beneficiaries of the studied villages and craft centres for cooperation in collection of primary data related to my study.*

*I am highly grateful to my seniors and my dear juniors who provided me ample help which I cannot express in my words.*

*No words can adequately express my gratitude to my family. I am indebted to my father Sh. Jaynaryan and my mother Mrs. Saroj, father-in-law Sh. Haripal Singh Dalal and mother-in-law Mrs. Kamlesh for showing endless blessing upon me. I am also extremely thankful to my grandmother, brothers-Krishan, Balram & Harender, sisters-in-laws, nephews and sister whose love and support contribute to every success of mine.*

*Most deserving person for thanks is, of course, my life partner Ravinder Singh Dalal who gave me all type of support, which I needed most in completion of the present work.*

*I am grateful to BKG Informatics, District Courts, Rohtak for arduous work of typing and shaping this manuscript .*

*Finally, for all I have done, I bow and thank the Almighty "God", who gives me strength and always remains as a constant support at every stage of my life.*
