ACKNOWLEDGEMENTS

The author, with deep sense of gratitude, wishes to place on record his sincere thanks to his beloved guide Dr.K.ANBARASU, Assistant Professor, Department of Geology, Periyar University, Salem-11, for his valuable guidance and his encouragement throughout this work. Without his deep involvement, sustained interest and inexorable encouragement, this work could not have been completed.

The author wishes to express his profound gratitude to Dr.S.Anbazhagan, Professor and Head, Department of Geology, Periyar University, Salem-11. Encouragement received from him is acknowledged with thanks.

The author whole heartily thanks the Management and Dr.R.Prabhakar, Secretary of Coimbatore Institute of Technology for providing all the facilities for carrying out this work.

The researcher extended his thanks to the beloved principal Dr.V.Selladurai, Coimbatore Institute of Technology, Coimbatore for granting permission to carry out the work. The author deems it a pleasure to place on a record his immense gratitude to his Head of the Department Dr.K.Subramanian and other faculty members for their kind cooperation.

The author places on a record his sincere appreciation and thanks to Dr.L.Elango, Professor, department of Geology, Anna University, Chennai for valuable suggestion and steering the work in right direction offered technical guidance and assistance. The researcher expresses his thanks to Dr.N.Radakrishnan, Director, Geosensing information Pvt. Ltd offered technical guidance and assistance.

Last but not the least the researcher thanks his beloved parents K.Rangan and Neela, who encouraged him to start the career in this field. The patience and assistance shown by my wife Mrs.R.Uma, dear son R.B.Ragul, daughter R.B.Sruthi and other members of the family are gratefully acknowledged.
