ACKNOWLEDGEMENTS

I express my sincere gratitude to Dr. D. Jayakumar Vice-Chancellor, Periyar University, Salem-636 011 for his valuable guidance, discussions and constant encouragement throughout the period of research.

I sincerely thank Dr. E.B. Sugavanam Director (Retd.,) Geological Survey of India for his valuable suggestions and discussions throughout the research work. I am thankful to Dr. Balaram, Scientist, National Geophysical Research Institute, Hyderabad, and Dr. Srinivasan, Chemical Institute of Research and Training, Salem – 11 and Dr. Balakrishnamurthy, Tamil Nadu Agricultural University, Horticultural Research Station, Yercaud, Salem for their help in carrying out chemical analyses of the samples.

My sincere thanks are to Dr. Victor Rajamanickam, Prof. Department of Industries and Earth Sciences, Tamil University, Thanjavur and his staff for providing facility in taking microphotographs. A special mention is due to Mr. N.P. Nathan, Senior Geologist, Geological Survey of India, Madras in making arrangement for taking microphotographs at GSI laboratory, Madras.

I thank Thiru. Krishnan, I.A.S., Director, Department of Geology and Mining, Guindy, Chennai and Thiru. E.B. Prasanna, Director, G.S.I., Chennai for their kind permission in extending Library facilities during the study.
I thank Dr. R. Ramasamy, Asst. Director, Department of Geology and Mining, Guindy, Chennai for his kind help in providing facility for aerial photographic study at D.G.M. Laboratory, Chennai.

I wish to express my thanks to the Director, Directorate of Technical Education, Chennai for having permitted me to undergo the research work. My Special thanks are to Dr. E. Ramasamy, Principal, A.C. College of Engineering and Technology and Dr. K. Rajagopal, Asst. Prof. Civil Engineering and Staff members of Civil Engineering Department for their kind cooperation.

Thanks are due to Dr. S.V. Govindarajan, Govt. Arts College, Salem, Thiru. R. Chandrasekaran, fellow research scholar and Thiru Elango, A.S.O., Periyar University for their kind help during the study. My sincere appreciation for the neat execution of this thesis to M/s. Radha Computer Services, Salem using their computer systems. I thank Mr. S. Sridhar, STA Surveyor, Geological Survey of India, Madras for making neat drawings.

My heartfelt thanks to all my family members for their continued support in successfully completing the research work.
