ACKNOWLEDGEMENT

I have the privilege to express my deep sense of gratitude and regards to my respected teacher and guide Dr. (Mrs.) Subrata Sharma, former Head, Post Graduate Department of Zoology and retired Vice Principal Cotton College, Guwahati-781001, Assam, for her constant guidance, invaluable advice and encouragement throughout this work. The encouragement and the enlightenment received from her will be a constant source of inspiration for me throughout my life.

I am thankful and offer my deep sense of gratitude to Dr. Dandadhar Sarma, Associate Professor, Department of Zoology, Gauhati University, whose valuable guidance and constant advice encouraged me to do my research in a befitting manner.

I would also like to express my profound gratefulness to Professor, Dr. Jatin Kalita, Head, Department of Zoology, Gauhati University and retired Prof. Amalesh Dutta, Department of Zoology, Gauhati University, Guwahati for their stimulating suggestions and guidance from time to time. I am equally grateful to other faculty members of the Department of Zoology, Gauhati University for their valuable suggestions in different phases of this study. In addition, I would like to thank the research Scholars and friends of the Department of Zoology for their kind co-operation and support.

I am also thankful to Dr. Nirjay Kr. Brahma, Principal, Gossaigaon College, Gossaigaon and Dr. Niranjan Kr. Brahma, Head, Department of Zoology, Gossaigaon College, Gossaigaon for their kind co-operation and encouragement during the work.

I would like to express my gratitude to Asstt. Prof. Mr. Bubul Das, Dept. of Zoology, Haflong Govt. College, Haflong, Assam for his valuable suggestions during the field survey.

I am taking the opportunity to render my gratitude to Dr. Manosh Kashyap, Down Town University for his kind help in Statistical analysis.

I also take the opportunity to render my sincere gratitude to Dr. Sunil Kr. Paul, Meteorological Station, Lower Brahmaputra Valley Zone, Regional Agricultural Research Station, Telipara, Gossaigaon, Kokrajhar, Assam providing me the meteorological data of the study area.
I am thankful to all the forest officials of Western Range Raimona, Kachugaon Forest Division, Kokrajhar, Assam and field staff for the permission to collect Specimens, logistic support and providing valuable information of the river Sonkosh.

I record the valuable support rendered by SudemBasumatary, BanditaTalukdar, HimagshuKalita, DibyajyotiSaikia, HrishikeshChoudhury, AbhishekMazumdar and AbhineetDey, Research Scholars of Zoology Department, Gauhati University.

I am thankful to all the fisher folks, ornamental fish farmers, fish sellers of my study areas and all the local respondents who shared their experiences about the fish and fisheries of Sonkosh river system.

I finally dedicate this work to my parents, wife and beloved son for their invaluable support, advice and encouragement throughout the study period.
