2. Presented a poster titled with "Synthesis and characterization of solid state photocatalysts derived from nickel(II) and copper(II) complexes and their application in the degradation of rhodamine-B" RSC India road show and supramolecular chemistry symposium, 10th November 2014, held at IITM, Chennai, India.

3. Participated in "Symposium on chemistry in societal and environmental needs" 29th to 31st August 2011 held at CSIR-CLRI, Chennai, India.

4. Participated in "International workshop on the application of solar energy conversions" on 8th October 2014, held at University of Madras, Guindy campus, Chennai, India.

5. Presentation on the "Synthesis and characterization of supercage encapsulated macrotricyclic complexes of nickel(II) and copper(II): Photocatalytic activity towards methylene blue" Recent advances In Nanoscience And Nanotechnology on 8-10th July 2015 held at Sathyabama university, Chennai, India.
