ACKNOWLEDGEMENT

It is with unbounded gratitude and heartfelt happiness that I wish to bestow thanks on each and everyone for their remarkable encouragement and support.

I am in dearth of words to express my profound thanks and indebtedness to my guide Dr. T. Senthilvelan, Professor & Head, Department of Mechanical Engineering, Pondicherry Engineering College, Puducherry for his excellent guidance, perspective criticism and valuable suggestion rendered from the very first day I registered for my PhD programme. My work has been moulded under his excellent supervision, critical acumen, constant encouragement and inspiring discussions. It is an honour to have worked with and learned from him.

I would like to put on record my deep felt gratitude to Dr. V. Prithviraj, Principal, Pondicherry Engineering College, Puducherry, for all the facilities that he has extended throughout my work.

I sincerely thank Doctoral Committee members Dr. N. Satyanarayana, Professor & Head, Centre for Nano Sciences and Technology, Pondicherry University and Dr. N. Alagumurthi, Professor, Department of Mechanical Engineering College, Pondicherry Engineering College for their wide experience in the field of nanocomposites, gave fruitful interpretation of experimental data and with great humanity, encouragement, inspiration and incisive support useful suggestions and expertise during the course.

I sincerely thank Dr. D. Nageswara Rao, Professor, Department of Mechanical Engineering, University College of Engineering, Andhra University, Visakhapatnam for his useful suggestions and expertise during the course. I owe and offer my deep sense of gratitude to him for his genuine and stimulating discussions without which it would not been possible to carry out this research.
I would like to thank Dr. K. Kalaichelvan, Associate Professor, Department of Production Technology, Madras Institute of Technology, Anna University, Chennai for their invaluable suggestions and support and his valuable assistance for this research work.

A special and warm expression of gratitude is reserved for Sakthi Thiru Dr. G. B. Senthilkumar, Correspondent, Adhiparasakthi Engineering College, Melmaruvathur, for generously extending his financial support and motivation.

I express my sincere thanks to all the teaching and non teaching staff of the Department of Mechanical Engineering, Pondicherry Engineering College for their timely suggestions, healthy criticism and word of motivation throughout the course of this research.

Most importantly, my deepest thanks go to Mr. A. Thiyagarajan, Assistant Professor, Sri Manakula Vinayagar Engineering College, Pondicherry for his support, encouragement, dedication and inspiration.

I cannot close these prefatory remarks without expressing my deep sense of gratitude and reverence to my parents Mr. M. Subramanian and Mrs. M. Amirdham for their blessings and endeavour to keep my moral high throughout the period my work.

I feel extremely happy to express sincere appreciation to my wife M. Suriakumary and daughters G. Keerthanaa and G. Khavipriyaa for their unflagging support throughout the research work and this paved way to complete the study in a full fledged manner.
