Acknowledgement

Since the acquisition of prolegomena, the total travel expenditure of the whole process is very high. The fluctuations in the research work are very extraordinary. At such a time, there is a need for inspirational encouragement. In this sense, I salute the respectful personalities those who induce me to do the work.

I am grateful to the Swami Ramanand Teerth University for registering me as a Ph.D. student and thus consenting to evaluate my thesis. I am equally grateful to authorities Hon'ble Vice-chancellor Pandit Vidyasagarji and S.R.T.M. University for permitting me to do the work.

I acknowledge with a deep sense of gratitude ray debt to Hon. Principal and Secretary Dr. Sandhyatai S. Kadam, Dnyanopasak Shikshan mandal, Parbhani. Dr. Sandhyatai is always working to motivate people to do social work. In the same regard, while thinking about their personality it inspire me to do research in such essential topic.

Research is a symbol of curiosity. To complete my research work I would like to record my profound gratitude's to Dr. Prabhakar Y. Harkal Associate professor, department of commerce and management, Dnyanopasak Shikshan Mandal's, college of Art's, commerce and science, Parbhani under whose able supervision this study was visualized, executed and concluded. I greatly respect his direction the intangible clarity as well as his in depth knowledge of the subject, which he shared with me from time to time.

It has been a pleasurable experience for me to receive help from Honorable Adv. Shri Ganeshraoji N. Dudhaokar, President Dnyanopasak Shikshan mandal, college of Art's, commerce and science, Parbhani, Shri. Bapu Adkine a worthy social worker and senior friend gave me conceptual counseling and Dr. S. L. Sadawarte sir, Principal Dnyanopasak College, Jintur.
