ACKNOWLEDGEMENT

But for the invaluable guidance, encouragement and hospitality of my supervisor Prof. (Mrs.) Sushila Singhal at all stage of the study, this dissertation would not have been possible. I owe much of the faculty of Zakir Husain Centre for Educational Studies, especially to Prof. S.C. Ghosh, Prof. Tapas Majumdar, Prof. Narendra Singh, Prof. Karuna Channa Ahmad, Dr. Punam Batra and Dr. Geeta B. Singh for their guidance, whole hearted support and timely assistance on several occasions.

I am thankful to the Principals, teachers and students of the various colleges whose sincere response and cooperation enabled me to collect valuable data and carry out my analytical study.

A strong vote of appreciation is also extended to Dr. Geeta Sinha, Dr. Anju Deepak, Dr. Govind Chandra Pal, Niti, Minati, Anita, Mahasweta, Bunoo, Aruna, Venkatesh and all others who showed interest in my work directly or indirectly. Rashmi, Litu and Gobind's detailed proof reading have helped to erase several errors which would have otherwise been oversighted. I am grateful to the library authorities at ICSSR, NCERT, NIEPA, CIE, Delhi University and National Medical Library for allowing me to consult their valuable collections.
I also wish to express my deep indebtedness to my family members, most of all, my husband and my father who have shown great concern and interest in my work from day one.

Last but not the least, I am thankful to Mr. Harish S. Bisht for his caution and patience in the production of this dissertation.
