Acknowledgements

I would like to express my gratitude to my supervisor, Dr K. J. Mukherjee, for so many things. He stood by me when I needed so. I would like to extend special thanks to Dr S. K. Kar, and I shall continue to cherish the memory. Thanks to the Chairperson and all faculty members of CBT.

Among the staffs, I wish to thank Sindhu Ma'am, Yadavji, Naipaulji, Vedpalji, Tyagiji and others, and also to Anil, Ramsukh, Bishu and Umeshji.

I would never have completed the thesis without my labmates, especially Gaurav. Any expression of gratitude is inadequate for him. My senior, Jagdish is a wonderful person. I am glad to have known him. Poonam has been a great friend. Yogi, Amar and Sangeeta too have been great friends. All of them provided me with whatever help they could extend.

This work owes much to Vikas, Ramanuj, Mishraji (Rajesh), Hossein, Ramani, Mohsin, Sanjeev and Babal Kant. Thanks are also due to co-workers Babita, Vibha, Aparna, Neeraj, Suman, Rajveer, Prasanna, Samer, Nidhi, Praveen, Puneet, Azhar, Prerna, Sarita, Vandana, Himangshu, Mahboob, Amjad, Veenu, Bijoy, Meenakhshi, Aruna, Ali, Tanuja, Sujata, Gautam, Rajkumar and others.

I am indebted to all those who made it possible for me to stay in JNU, including Jodu, Abhijit, Sumitro, Bishuda, Buntoo, Mainak, Laltu, Bodhi, Surajit, Saroj, Dipankar, Priyanka, Konkona, Sharmila, Landau, Rakesh, Prashanth, KB, Ananya and Aryama. Last but not the least; I would like to appreciate Anita’s support and patience.

Financial support provided by University Grants Commission is sincerely acknowledged.

Beyond everything, I shall always remember Abdur Rouf.

Palash Bhattacharya
