ACKNOWLEDGEMENT

I have received constant support and help from many individuals and organizations during my study and I would like to express my sincere gratitude to every one.

First and foremost I express my deep sense of gratitude to my Research Advisor, **Dr. R. Saravanamuthu**, Associate Professor and Head (Retd.), Department of Botany, A.V.C. College (Autonomous) for constant guidance, advice, suggestions and encouragement throughout the study and for having critically gone through the manuscript.

I express my sincere gratitude to Doctoral committee member, **Dr. R. Nagarajan**, Associate Professor, Department of Zoology and Wildlife Biology, A.V.C. College (Autonomous), Mannampandal for his scholarly advice, suggestions in the preparation of the thesis especially on Statistics and constant support throughout the study.

I express my whole hearted thanks to **Dr. B. Ramakrishnan**, Assistant Professor, Department of Zoology and Wildlife Biology, Government Arts College, Udhagamandalam for advice, encouragement, valuable comments and continuous support in many ways throughout the study period and without his help and involvement the study would not have been possible.

I express my sincere thanks to **Dr. M. Varatharajan**, Principal, A.V.C. College (Autonomous), Mannampandal for constant support, rendering all assistance and facilities in the college during the course of my research work. My sincere thanks to **Dr. K. Thiyakesan** (Retd) former Principal, A.V.C. College (Autonomous), Mannampandal for his constant support in administrative tasks in the college.

I express my gratitude to **Mr. Rajasekar**, Assistant Professor and Head of the department and all the faculty members of the Department of Botany were provided necessary facilities in the department to carry out the research work and helped over several stages of my study and preparing the thesis.
I am highly indebted to Dr. S. Asokan, Associate Professor and Head of the department and all the faculty members of the Department of Zoology and Wildlife Biology were helped over several stages of my study and preparing the thesis.

My special thanks are due to Assistant professors Dr. N. Baskaran, Assistant Professor, Department of Zoology and Wildlife Biology for his valuable suggestions during my synopsis presentation and critical comments on the manuscript.

I am highly obliged to Dr. M. Karthikeyan, Assistant Professor, Department of Zoology and Wildlife Biology for his constant support, encouragement and help in various ways throughout my study period.

I express my gratitude to the District Forest Officers of Coimbatore Forest Division, Mr. I. Anwardeen, IFS, Mr. Thirunavukarasu, IFS, Mr. Senthil Kumar, IFS, for permitting me to carry out the study, use the data and all logistic supports for the successful completion of this work.

I am highly indebted to Mr. K. Kalidasan, President, OSAI Environmental Organisation, Coimbatore to constant support, encouragement and valuable suggestion for this study. Also I would like to extend my thanks to Mr. Ganesh and other friends in OSAI helped me in different stages of my field work.
