

*We need spiritual values, we need a revolution of the mind. This is the only way toward a new culture and new politics that can meet the challenge of our time. We have changed our attitude toward some matters such as religion. Now, we not only proceed from the assumption that no one should interfere in matters of the individual's conscience; we also say that the moral values that religion generated and embodied for centuries can help in the work of renewal in our country, too.*
