

Acknowledgement

Knowing it well that I am attempting against the impossible- acknowledging them who have made their invaluable contribution in the preparation of this thesis, I would make small efforts in that direction.

At the outset, I would like to avail this opportunity to express my heartfelt gratitude and indebtedness to my esteemed Supervisor Prof. Ajay Patnaik, who not only guided me through this journey but held the rudder of my research firmly till the very end. His friendly advices, sincere and constructive suggestions, continuous encouragement and an in-depth erudition of the subject made my journey smooth and enjoyable. Falling short of words to express my honest gratitude for him I still feel that it has been a life-time experience to work with him.

No place would be more befitting to express my gratitude to Prof. Shashikant Jha, the Chairperson of our Centre, Prof. Nirmala Joshi, Prof. Shams-ud-din, Prof. Anuradha Chenoy, Dr. Tulsi Ram, Dr. Tabir Asghar, Dr. Gulshan Sachdeva, Dr. Phul Badan, Dr. Sanjay Pandey and Dr. Bhaswati Sarkar for their timely help and encouragement which they extended to me that kept my moral high.

I also thank my Centre, JNU Library, JDSA Library, Teen Murti Library, MSA Library and DU Library for their assistance.

My sincere thanks are due for Handa Saab and Vijay for their constant cooperation and wishes.

At this juncture, I would like to express my feelings for them who made extraordinary contributions according to their individual capacities taking my work ahead step by step. Masba, Priya and Bhuska are the few names which need mention for standing by me when I needed them the most.

Biharji, Bbabbiji, Happy, Lulu, Abbay, Bijay, Vijay, Jitendraji, Chaitanyaji, Sanjayji.

Balwanji, Payalji, Vandanaji, Asbutoshji, Gopalji, Atul Bhai, Leeladhar, Uma Shankar, Srinivas, Dillip, Samir, Ratikan, Santosh, Sumant, Ram Avatarji and Mani Ramji can never be forgotten for their support.

I am falling short of words to express my heartfelt gratitude to Nalee and Maxew who took a lot of pain overcoming all their odds to see my work through. I will never be able to thank them enough.

Ranjana- who stood by me at every stage of my work and took indescribable strain starting from my synopsis days to completion of the thesis deserves a pat from the deepest corner of my heart. May God bless her!!

At this moment, I am missing my uncle, Late Sri Udayanath Mohanty whose quest for knowledge has been a source of inspiration for me, always.

Last, but not the least, words are insufficient to express my feelings for my parents, my brother, Bhauja, Babloo, and other family members. Without their constant support, sacrifices and blessings I would never have undertaken this work. If there is a God, I see in them.

While all those again who have contributed towards the completion of this work, errors and inadequacies if any, herein remain to be mine alone.
