Acknowledgement

“Nothing can happen without Allah’s will and nothing will work without His commands”, so I am grateful to His will and humbly accept all His decisions.

Foremost, I would like to express my sincere gratitude to my supervisor Prof. Bilquees Bano for her continuous support of my Ph.D study and research, for her patience, motivation, enthusiasm, and immense knowledge. Her guidance helped me throughout my research work and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D study. She surely has been very helpful and considerate.

I would like to express my gratitude to the chairperson of our department Mrs. Imrana Naseem for her useful comments, remarks and for providing me all the departmental facilities and encouraging me to endeavour for better performance. Her guidance and knowledge helped me immensely as a teacher during my masters.

I would like to thank all my teachers Prof. S.M. Hadi, Prof. M. Saleemuddin, Prof. A.N.K. Yousufi, Prof. Masood, Prof. Naheed Bano, Prof. Riyaz, Prof. Riyaz Mehmoody, Prof. Qayoom, Dr. Tabish, Dr. FH Khan, Dr. Farha and Dr. Aabgeena. Apart for being great teachers they have all been very kind and motivational throughout my stay in the department.

My special thanks to my senior lab mate Miss. Medha Priyadarshni for being very encouraging and source of inspiration. Her time management skills and her expertise of the subject is really awesome. Some discussions with her regarding my research was very helpful. She was very inspirational the way she conducts herself.

Some people are very inspirational and caring, Dr. Fouzia is the personification. She has been constant source of encouragement and great listener with whom I could share some of my personal and professional issues. Never to forget my cute little sisters Misbah, Maria, Insha, Asra and Madiha, who always bring happiness on my face.

I would like to thank my seniors especially Dr. Shahnawaz, Dr. Shams Tabrez, Dr. Ayesha, Dr. Shamila, Dr. Sadia, Dr. Shubha for being very good and supportive. My labmates need a special mention for making my stay thoroughly enjoyable and pleasant.
My love and thanks to all my juniors who have been polite and helpful. Their exuberance was infectious. I would like to mention people who have been really a joy to be with especially Naveed, Nayeem, Kaiser, Haseeb, Shafqaat and Rouf.

My hostel mates Sajad, Zuhaib, Aadil, Aabid, Jibran and Rehan need a special mention for a lively and stress buster time we had together. Khalid for helping me and taking care of me especially after I met an accident during my writing days.

My friend Saleem, Asif, Afaan for always supporting and encouraging me and bearing with my mood swings. They were the ones who always trusted in my abilities and peppe me up every time I found it hard to continue.

My parents are my life and in every sense they have been the strong pillars who have supported me through my thicks and thins, never complaining and ever encouraging. When I am in stress they are the ones who soak it from me.

I would like to thank my brothers Sajjad bhai, Adil, Faheem, Shoab, Dawood and all my aunts and uncles for always believing in me.

Last but not the least all the lab boys and office people who have been there whenever I needed them. I would also like to thank Mr. Aftab and Mr. Guddu for helping me sort and arrange my thesis.
