ACKNOWLEDGEMENTS

In the name of ALLAH (s.w.t.), the most gracious & merciful, and His Holy Prophet MUHAMMAD (Sallallaho Allaihi wa Aalihi wa Sallam) who has forever been a source of guidance and knowledge for human beings, I feel highly privileged to express my sincere gratitude to my respected supervisor Dr. M. Khalid Azam, Professor, Department of Business Administration & Dean, Faculty of Management Studies and Research, A.M.U., Aligarh, for his supervision, enthusiastic guidance, never ending cooperation and encouragement throughout the course of this research work. I feel really honoured to have completed my Ph. D. under his kind supervision.

I gratefully acknowledge Dr. (Hafiz) Javaid Akhtar, Professor, Department of Business Administration, A.M.U., Aligarh, for his keen interest, persistent support and providing conducive environment for the research work.

I am thankful to Janab Kaleem Mohammad Khan Saheb, Professor, Department of Business Administration, A.M.U., Aligarh, for his valuable suggestions. He has always been a source of enlightenment, knowledge and cooperation for me in all walks of life.

I also wish to express my gratitude and admiration to Dr. M. Israrul Haque, Professor & Chairman, Department of Business Administration, A.M.U., Aligarh, for his help and cooperation in carrying out this research work.

I would like to thank Dr. Parvaiz Talib, Professor, Department of Business Administration, A.M.U., Aligarh, for his guidance, support and encouragement throughout the journey of my research.

Thanks are also due to Dr. M. N. Faisal, Associate Professor, Department of Business Administration, A.M.U., Aligarh, for extending me all the support, intellectual help and motivation in completing my work.

My special thanks to Dr. Asif Akhtar, Assistant Professor, Department of Business Administration, A.M.U., Aligarh, for his full cooperation, gracious attitude, constructive criticism and valuable suggestions in completing this target work in time. Without his support this work would not have been completed.
I am also highly indebted to all the faculty members of the Department of Business Administration A.M.U., Aligarh, who were always very helpful, encouraging and readily available in extending their support.

I realize that a doctoral thesis cannot be completed without the help of a supportive group. It requires a collective effort, which involves the guidance, cooperation and help of well wishers. I would like to pay greatest thanks to my friend and fellow researcher Dr. Saif Sami, Guest Faculty, Department of Business Administration, A.M.U., Aligarh, for his help, constant encouragement, constructive advices, cooperation in the collection of data and valuable contribution for the completion of the manuscript.

Heartiest thanks are extended to all my friends in the department, specially Mr. Javed Ghaffar and Mr. Shahid Mushtaq, for their help and cooperation.

I appreciate my friend Mr. M. Zeeshan Hyeder, for his all round cooperation, help & encouragement in realizing my dream.

I would be lacking on my part if I fail to thank Mr. Mohd. Naseer & Mr. Umair Farooqui, for their support during my stay in the department. I would like to thank all the staff members who helped in one way or the other during this time.

It is a fact that without the cooperation of my family, it would not have been possible for me to complete my work. I would like to remember my father (Late) Janab Rafiq Ahmad Khan who always insisted me to pursue this work. It was in fact his dream that I have fulfilled. I would like to thank my mother for her unconditional love and support for the acts of selfless sacrifice that were too numerous to count, and was a great source of encouragement. My special thanks are for my brothers Er. Musahib Ali, Mr. Mohsin Rafiq, Mr. Shariq Rafiq and Mr Shiraz Akhtar Khan, my loving sister and sisters-in-law for their love, continuous help, endless cooperation, moral support, encouragement, patience and sacrifice in all respects.
