List of Tables ...................................................................................... x

List of Figures...................................................................................... xi

Chapter One: Second Language Acquisition and Prepositions

1.0 Introduction .................................................................................... 1
1.1 Second Language acquisition ....................................................... 3
1.2 First and second language acquisition ......................................... 4
  1.2.1 Differences ........................................................................... 4
  1.2.2 Similarities ........................................................................... 6
1.3 Availability of UG in SLA .............................................................. 7
  1.3.1 UG is not available ................................................................. 8
  1.3.2 UG is available ..................................................................... 8
  1.3.3 UG is indirectly available ..................................................... 10
  1.3.4 UG is partially available ...................................................... 10
1.4 Issues in second language acquisition and research .................... 11
  1.4.1 Transfer ................................................................................. 11
  1.4.2 Critical period ....................................................................... 12
  1.4.3 Ultimate Attainment ............................................................... 13
  1.4.4 Need for negative evidence .................................................. 13
1.5 Research methods in second language ......................................... 14
1.6 Second language acquisition of English prepositions .................. 16
1.7 The location of the present study ............................................... 19
1.8 Conclusion .................................................................................... 21

Chapter Two: Lexical and Functional Categories

2.0 Introduction .................................................................................... 23
2.1 Lexical and functional categories ............................................... 23
2.2 Research on lexical and functional categories ............................. 27
2.3 Functional categories and theory of universal grammar ............. 32
2.4 Theories of acquisition of the functional categories ................... 34
Chapter Three: Details of the study

3.0 Introduction
3.1 Design of the study
3.2 Research questions of the study
3.3 Pilot study
3.4 Design and hypotheses of the main study
3.5 Methodology of the main study
  3.5.1 Subjects
  3.5.2 Profile of the participating school
  3.5.3 Questionnaire and analysis
  3.5.4 Tasks
  3.5.5 Administration
3.6 Scoring and analysis
  3.6.1 Dictation task
  3.6.2 Picture story writing task
3.7 Conclusion

Chapter Four: Results of the Dictation task

4.0 Introduction
4.1 Overall performance
4.2 Interaction effects
4.3 Category-wise performance
4.4 Error Analysis
4.5 Some difficulty in prepositional constructions
4.6 Conclusion
Chapter Five: Results of the Picture story task

5.0 Introduction ................................. 95
5.1 Details of the story corpus ................. 96
5.2 Characteristics of the groups ............... 97
5.3 Overall performance ....................... 98
5.4 Interaction effects ......................... 100
5.5 Category-wise analysis of performance .... 100
  5.5.1 Across grades, within category comparison 101
  5.5.2 Across category, within grade comparison 101
  5.5.3 Proportion of use ....................... 102
  5.5.4 Accuracy of use ....................... 104
5.6 Comparison with results of the dictation task 106
5.7 Comparison with Littlefield’s research .... 110
5.8 Error analysis ............................... 112
5.9 Use of different prepositions .............. 120
5.10 Conclusion ................................. 122

Chapter 6: Discussion of findings and further Research

6.0 Introduction .................................. 123
6.1 Research questions of the study .......... 123
6.2 Results of the dictation task .............. 125
6.3 Findings of the picture story task ......... 128
  6.3.1 Testing on Hypotheses in the two tasks 132
6.4 Comparison of the two tasks .............. 133
6.5 Implications .................................. 134
  6.5.1 Learning functional prepositions in second language 134
  6.5.2 Particles in second language learning .... 134
  6.5.3 Production/comprehension asymmetries in language acquisition 135
  6.5.4 Frequency /accuracy measure in tracking acquisition order 136
6.6 Main claims of the study .................... 137
6.7 Suggestions for further research .......... 138

Bibliography ...................................... 141-160

Appendices ........................................... 161-211
