

Jimut, Sandhya, Dilip, the present scholars of my guide and also from some of his past scholars, Mr. P. Pal, R.C. Yadav, N. Mandal, Dr. A. Roy, Dr. P.C. Manna.

I am also thankful to the teachers, scholars, all the office, laboratory and library staff of the department of Biochemistry and Biophysics for their kind co-operation throughout the work.

I can not forget my elder brother and sister-in-law who worked day and night, never letting me worry about the money matters and gave me all the freedom, in terms of time and burden, I asked for. I am also indebted to my mother and sister for their constant encouragement and inspiration during my research work.
