Acknowledgement

I am deeply indebted to my supervisor Dr. C.R. Sahu, Reader in Zoology, University of Kalyani, Kalyani, for his guidance and assistance throughout my investigation and in preparation of manuscript.

Thankful acknowledgement is also due to all Heads of the department of Zoology (both past and present), University of Kalyani for laboratory facilities.

I am very much grateful to the University of Kalyani, Kalyani and its Registrar for financial help.

I would like to express my sincere thanks and appreciation to the help and assistance rendered to me by all the laboratory staffs of the Dept of Zoology, University of Kalyani.

My grateful acknowledgement of debt is also due to Dr. Chandana Chakraborty for her valued help and inspiration.

I offer my humble gratitude to my friends, labmates Dr. Sailendra Sekhar Kundu, Dr. Sudip Choudhury and Mr. Sandip Chaturbedi and hostmates Miss. Kakoli Majumder, Miss. Aruneema Bardhan and Miss. Shraboni Mukherjee for their help and assistance.

Thanks are due to M/s Tendercare Computers (formerly M/s Supriyo Roy & Associates), Kalyani, for its promptness and care in computer printing of this thesis.

Finally many thanks and gratitude to my family members and friends, who accepted and tolerated without any obligation and complaint, my complete self-isolation during the period of my research work.
