List of papers presented / to be presented in International Conferences

2. "Image Authentication by Hiding Large Volume of Data and Secure Message Transmission Technique using Mask (IAHLVDSMTTM)", IEEE International Advanced Computing Conference IACC’09, Thapar University, Patiala, India, March 2009

5. "Controlled Data Hiding Technique for Colour Image Authentication in Frequency Domain (CDHTCIAFD)", IEEE 2nd International Conference on Emerging Applications of Information Technology, EAIT-2011, CSI Kolkata Chapter at Science City, Kolkata, India, February 2011, to be presented.

6. "Image Authentication Technique in Frequency Domain based on Discrete Fourier Transformation (IATFDDFT)", International Conference on Computer and Systems, ICCS-2010, University of Burdwan, West Bengal, India, November 2010.
