ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. P. B. Nagarnaik, Professor and Head, Department of Civil Engineering, Babasaheb Naik College of Engineering, Pusad for encouraging me to pursue the subject research and accepting my candidature as a research student. His able & meticulous guidance coupled with refreshing ever enthusiastic and human nature led me not only to complete this thesis in time but also to understand the philosophy of research in proper perspective.

I am grateful to Prof. D. G. Jawale, Principal, and Prof. N.M.Gatphane, Ex-Principal, B.N.College of Engg, Pusad for providing necessary facilities and cooperation to carry out the present research. I am sincerely thankful to Prof.N.B.Pasalkar, Director (Directorate of Technical Education, Mumbai, (MS) and Dr.C.S.Thorat,Principal, Prof.R.K.Khadse,Principal, Prof.D.C.Chaware, HoD, Civil Engg, Government Polytechnic, Yavatmal, for their cooperation and permission to undertake this investigation. I am also grateful to Prof.D.R.Nandanwar, Principal, Prof .S.J.Pati, HoD, Civil Engg, Government Polytechnic, Nagpur for their cooperation and help in completing this work.

I also put on records the contributions made by final year diploma students while recording the observations of field study. I express my gratefulness to all the reviewers whose appreciation, comments and criticism of my research papers has contributed in enhancing the quality of this research.

I dedicate this thesis to all my near and dear ones.
