Acknowledgement

It is really a moment of great pleasure for me while expressing my hearty gratitude, to those who helped me in the successful completion of this study. I was indifferent when I was resting and thinking of people who helped me during my study period. My mind was drifting somewhere else. It has usually happened in the same way whenever I free myself into deep reflection. There were so many feelings....so many heartwarming pieces of memories....

First of all I thank Almighty for giving me the opportunity to carry out myself forward in the path of my dream and for blessing me with the best and for making me the best and for making me who I am.

I humble owe my gratitude and sincere regards to my respected teacher and esteemed guide Dr. K.L.Dhar. I am very much thankful to sir for his inspiration, kind co-operation, valuable guidance & suggestions, timely help, sincere concern and constant encouragement during every phase of this study, without whom my project would not have been a success. I am short of words to thank him for his unlimited patience and his affection bestowed upon me during my entire research work. His involvement with his originality has triggered and nourished my intellectual self that I will benefit from for a long time to come. His truly scientific intuition has made him as a constant oasis of ideas and passion in science, which exceptionally inspired and enriched my growth as a student, a researcher and a scientist. I am indebted to him more than he knows.

It has been my privilege to carry out this study under the able guidance and support of my teacher and Co-guide Dr. B. S. Jayshree, Professor, Department of Pharmaceutical Chemistry, College of Pharmaceutical Sciences, Manipal, Manipal University. I am very much thankful to madam for her inspiration, wholehearted support towards my work, valuable guidance & suggestions, which help me greatly in the successful completion of my thesis work.
I feel great pleasure in expressing my profound indebtedness to Professor P.K. Khosla, Vice-Chancellor, Shoolini University, Bajhol Solan, for giving me an opportunity to work in their esteemed University. I convey my great sense of gratitude and respect to Hon’ble Vice-Chancellor Sir, for their affection, encouragements and valuable guidance is something, I will cherish all my life.

I would like to express my deep sense of gratitude to Dr. Neeraj Mahindroo, Principal School of Pharmaceutical Sciences, for his support and encouragements.

My sincere thanks to Khosla Madam, Vishal Sir, Atul Sir and Dr. Sunil Puri, for their encouragements and supports during the whole tenure of the study.

I am extremely indebted to Dr. Rohit Goyal, Dr. Sameer Sapra, Mr. Abhishek Chandeland, Dr. Abhishek Budhiraja for their inspiration, watchful guidance, timely help and valuable suggestions.

I express my deep sense of respect and gratitude towards Dr. C Mallika Arjun Rao, Principal Manipal College of Pharmaceutical Sciences for providing adequate facility for the research work Prof. My sincere thanks to Shailender Kumar Sir, Dr. Umar Farooque, Dr. Azhar Khan, for whole hearted support and valuable suggestions.

My heartfelt gratitude and wishes to my colleagues, Dr. Nitesh Kumar, Dr. Mahinder Jain, Vikas Garg, Arvind Pai, Navin Tailor and Navneet Upadhaya for supporting me throughout my research work.

I specially want to say thanks to Dr. Vinay pandit, Sajid Sir, Sajay Sir, Suman madam and Shaila Khah for giving moral support, their valuable suggestion and immense care lightened the right path during my research work and my academic life in Shoolini University.

Mere words can never encompass my profound inward emotions of ineffable, indebtedness and gratitude towards my loving family, my father Md. Quasim Siddique, elder brothers M.J. Akbar, Bhabhi,
Firoze Bhaijan, my sister Baji Zaryab, Parween and for their constant support, faith in me and unlimited patience.

It gives me an immense pleasure to express my sincere thanks to my mother in law, father in law, Baji, Rizwan Bhai, Chachi Amman, Eram, Nicky, Soni, Neda, Asia, Samar, Mehar, Asia, Afsana and Zainab, for their affection and divine love towards me.

I cannot forget the support which I received from my wife Tabinda, that she holds me in both good and bad time especially during course of my research work. And my heartily love extends to my son Kunooz and Gudiya Rani Asia.

I extend my sincere thanks to all the non-teaching staff of School of Pharmaceutical Sciences, Mr. Kanwar, Kalpana, Kamlesh and Vikas for their kind co-operation during my study.

My special thanks to Mr.Auvtar Singh and Mr. Manish Kumar Saif, Panjab University for providing all spectral data within time.

Words cannot express my feelings for my Parents, wife, kid Kunooz Asia and other family members whose tremendous encouragement, support, prayers and love has been a source of inspiration and will remain so far the life.

Finally my own regret is because of the lapses of my memory, to mention by name each and every one, who directly or indirectly made contributions and is deserving of my gratitude. To those unknowingly unsung my thanks and apology.
