With great pleasure, I deem it is a matter of great privilege to thank Prof. S. C. Santra, Head, Department of Environmental Science, University of Kalyani, W.B., under whose guidance and supervision, this work has been carried out. I am indebted to his encouragement, inspiration, deep and sustained interest throughout the present work.

My gratitude is to Dr. D. Chakraborti, Director, School of Environmental Studies, Jadavpur University, Calcutta, for his kind interest, inspiration and encouragement. Beside providing me all the infrastructural facilities, his valuable constructive suggestions from time to time have greatly helped me. Above all I am ever grateful to Dr. D. Chakraborti for financial assistance to complete this work.

I express my deep gratitude to Dr. D. Das and Dr. D. K. Khan, Sr. Lecturers, Department of Environmental Science, University of Kalyani, for their valuable suggestions throughout the period of my research work.

My gratitude is to Dr. B. P. Mondal, Lecturer, Soil Science Department, Bidhan Chandra Krishi Viswavidyalaya, for his kind co-operation and for giving me the facility in using Gas Chromatography, in his laboratory.

I express my deep gratitude to Dr. D. Das, Dr. G. Samanta, Dr. B. K. Mondal, Mr. T. Roy Chowdhury, Dr. G. K. Basu, Mr. S. K. Mondal, Mr. D. Lodh, Mr. U. K. Chowdhury of SOES, Jadavpur University, Calcutta, for their dynamic suggestions and their instant help in the completion of my work. I am thankful to Nilu and Debashis for their kind co-operation.

I would like to extend my thanks to my friends and colleagues – Mrs. Sumita Patra (Samanta), Mrs. Sumana Majumder (Ghosh), Ananda Banerjee, Bidhan Roy, Suman Das, Ansuman Ata, Firoz Khan for their sporting help and careless encouragement throughout the period of my research work and also extending thanks to Madhu da, Mahabir da, Santi da, Partha and Mr. Bal of this Department. I am also thankful to the Research Scholars of Soil Science Department of B.C.K.V. for their kind co-operation in taking the reading from G.C.

I am thankful to the members of Laser Tech Computer Center, B-9/18 (CA), Kalyani for the preparation of the thesis.

Lastly, I would like to offer a tribute of love admiration and respect to my parents who have been an unending source of inspiration and assistance throughout the period of my research work. I would like to express my love and thanks to my elder sister Mrs. Rupa Das, brother-in-law Mr. Sahadev Das and to my beloved brother Mr. Mriganka Bhar for their co-operation and encouragement throughout the period of my research work. I am also thankful to my friend Mr. Sourav Mukherjee for his inspiration and co-operation during the course of the work. Finally, I extend my special thanks to my beloved nephew Soumya.

Gopa Bhar
