ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to Dr. Harpal Singh, Reader, Department of Agronomy, Jana Videsh College, Baraut, Baghapur (U.P.), my internal supervisor, and Dr. J.S. Sahra, Principal, Scientist, Soil Science, and Director, Central Soil and Water Conservation Research and Training Institute, Dehradun, my external supervisor, for their valuable guidance, concrete suggestions, and wise advice and constructive criticism during the course of my study.

I am highly thankful to ICAR and USAID for deputing me to undergo 18 months Ph.D. course work at Mississippi State University (MSU), USA. I am deeply indebted to Dr. John Hedges, Prof. of Forestry, MSU, USA for his valuable guidance and finalising the research problem for dissertation.

I am thankful to the Director, CSWCRTH, Dehradun, U.P. for permitting me to register for Ph.D. and providing necessary facilities. I am also grateful to Principal, Head, Dept. of Agronomy and Shri Karam Singh, farm supdt., J.V. College, Baraut, Baghapur for providing the necessary field and laboratory facilities for the investigations.

Head of Division, RAWM, Shri S.C. Mohan, OIC (Central Laboratory) and the staff of Central Laboratory of CSWCRTH, Dehradun deserve due thanks for their help in soil analysis and other facilities.

I express my grateful appreciation and indebtedness to Dr. V.N. Sharda, Dr. P.C. Tyagi, Dr. K.S. Bhalwal, Dr. S.K. Dhyani, Dr. A. Raza and Dr. B.P.S. Khosla, Dr. A.R. Sharma, and Shri R.K. Dube of CSWCRTH, Dehradun and Pushpendra Verma, field officer, IFFCO for their valuable suggestions during appraisal of the manuscript. Help extended by Shri M.C. Agarwal, Shri Narwal Kesar and Shri S.K. Verma for their help in statistical analysis and computer work is also thankfully acknowledged.
Thanks are also due to the Librarian, J.V. College, Baraut, Baghpat and Shri G.R. Deshmukh, Librarian, CSWCRTH, Dehradun for the library facilities.

I am also thankful to Shri S.N. Gupta, Stenographer for typing the manuscript nicely. My special thanks are also due to Dr. H.P.S. Tomar for the nice company and not letting me feel lonely at any stage during my study.

I also wish a lot of thanks to all my friends and colleagues for their help and encouragement.

Finally, I would like to place on record my deep sense of gratitude to my parents, chaucha ji. Prof., Dept. of Soil, PAU, Ludhiana, brother, Army Major, for their constant inspiration, strenuous help and warm blessings in helping me to realise this dream. I wish to record my appreciation for the perseverance, help and encouragement given by my wife, Smt. Anita Sharma who made this thesis a reality. I am also grateful to my sons, Master Mohit Sharma and Master Mukul Sharma who with their smiling faces always encouraged and inspired me.

(NARINDER KUMAR SHARMA)
