Acknowledgement

I am indebted to numerous persons from the beginning of this work and without all those timely help I could not have completed this work. I accord my profound gratitude to my research supervisor, Dr. Sailas Benjamin, Professor, Enzyme Technology Laboratory, Biotechnology Division, Department of Botany, University of Calicut, for the expert guidance, criticisms, constant support and assiduous efforts to bring out the work to its present zenith.

I am deeply indebted to Prof. John E. Thoppil, Head of Department and Prof. K. M. Jayaram, Prof. M. Sabu and Prof. K.V. Mohanan, former Heads, Department of Botany, University of Calicut and for their whole hearted help offered throughout the period and for creating conducive environment in the department for the successful completion of my work.

I convey my immense sense of gratitude to my labmates, Dr. V. N. Jisha, Dr. S. Pradeep, Mrs. S. Sreedevi, Mr. M. K. Sarath Josh, Mr. K. N. Unni, Mr. P. Abdul Faisal, Mr. E. S. Hareesh, Mr. T. A. Nidheesh Roy, Mr. T. Jayakrishnan and Miss. R. Maya in the Enzyme Technology Laboratory for being very helpful, suggestive and supportive during my research. I also extend my gratitude to my former labmates Mrs. T. P. Princy, Miss. V. Sheena, Mrs. P. Faseela, Miss. B. Neethu Kannan and Mrs. M. Rubeena.

I gratefully extend my sincere thanks to Prof. P. Manimohan, Assistant Prof. A. Yusuf, Associate Prof. Radhakrishnan and all the other Teaching and Non-teaching Staffs, Department of Botany for providing needful help during the research period.

I convey my immense sense of gratitude to Prof. K. K. Elyas, Department of Biotechnology, University of Calicut, Dr. T. H. Mohammed Shahin, Department of Physics, University of Calicut and Associate Prof. J. Shibuvarthan, Department of Zoology, University of Calicut. I am indebted to other departments of Calicut University for providing various instrumentation facilities.

I express sincere thanks to Dr. K. Madhavan Namboothiri, Senior Principal Scientist, NIIST, Thiruvananthapuram, Dr. Binod Parameswaran, Scientist, NIIST, Thiruvananthapuram for helping me in RSM analysis and also to Dr. A. B. Rema Shree, Deputy Director, Centre for Medicinal Plants Research, Kottakkal for helping in fluorescent microscopy analysis. I also convey my gratitude to National Institute of Technology, Kozhikode for SEM analysis, Department of Chemistry, University of Calicut for FT-IR analysis, STIC, Cochin for NMR and TGA analysis, Xcelris Labs, Ahmedabad for molecular identification of bacteria and fungi.
I extend my thanks to Mr. N. B. Shaji, Mr. K. Ajayakumar and Mr. Santhosh Mithra, Art and Photography Unit, University of Calicut for their assistance in the accomplishment of the photographs for the present study.

I also express my thanks to Mr. P. M. Prakashan, Librarian, Department of Botany for the help rendered.

I also express my thanks to Mr. K. Rajesh, Bina Photostat, Villunniyal for their tireless support in preparing this manuscript.

I am grateful to the Department of Biotechnology (DBT), New Delhi and Kerala State Council for Science, Technology and Environment (KSCSTE), Kerala for the financial support provided for my research.

I greatly value the genuine support and encouragement of Prof. Rema Menon (Rtd), Kerala Agriculture University and Dr. Surendranath Kaimal, Senior Scientist (Rtd), BARC, Mumbai, that helped me to stay sane through these difficult years. I express my respect and gratitude to my teachers for guiding me as a student as well as person. My special words of thanks to all those who directly or indirectly helped me during this period.

I express my heartfelt gratitude to all my friends especially Showmi, Lamiya, Deepa, Sruthi, Ambili, Snisha, Rathi, Smitha, Aparna, Saira, Sajith, Manu and Jithin for their loving support, encouragement and care.

I would like to express my deep and sincere gratitude to my dearest friend Aparna and her family for their support, love and prayers.

Words cannot adequately express my deep sense gratitude to parents, B. A. Prakasan and C. V. Thankamany for their unconditional love, personal support and great inspiration at all times. I realize the depth of their sacrifices and am forever indebted to them for giving me the freedom to take decisions in my life. I express my heartfelt gratitude to my sisters, Priya and Preethy, my brothers-in-law, Dileesh and Rajiv, my nephews, Akul, Adhik, and my little nieces, Diksha and Dyuthi for their love, support and care that I would never be able to pay back.

I offer my sincere gratitude to my beloved husband, Mr. S. Sajith for his constant love, concern, care and encouragement that gave me the strength and patience to complete my work successfully. I express my sincere gratitude to my mother-in-law, A. Shobhana and father-in-law, K. Sreedharan for their immense support, and care that gave me the incentive to complete my work comfortably.

Above all these, I owe to the Almighty for giving me the strength and health for the successful completion of the work.

Priji Prakasan
