Acknowledgements

At the outset I solemnly acknowledge the gratuitous support and help that have been extended from various corners during the tenure of my research work for its successful completion.

I take this opportunity to express my sense of respect and admiration to my research guide Dr. Animesh Kumar Datta, Professor, Dept. of Botany, University of Kalyani, for his deep and sustained interest, consistent involvement and paramount contribution in this research work without which it would not be possible to complete the work in its present form. I will ever remember and respect him for his thoughtfulness and guiding light that make a way to face all the challenges in life and to do always what is right.

I am indebted to the University of Kalyani for providing me facilities to carry on my research work and I express my profound reverence to Dr. S. N. Singha, the Head of the Dept. of Botany, University of Kalyani for providing necessary facilities during the tenure of the work.

I humbly submit my indebtedness to Prof. G. G. Maiti and Dr. S. Gupta for their generous and spontaneous help in taxonomical and palynological studies as and when needed.

I would like to express my whole hearted and deepest regards to my family. I will never forget the spontaneous contribution, golden co-operation and inspiration of all my family members.

My special thanks is given to Mr. Ranjan Kirtaniya (our lab. staff) for his valuable helps without which this work could not have been completed.

I am thankful to Dr. Siraj Datta, Head of the Dept. of Biotechnology, Haldia Institutes of Technology, Haldia, for his persistent help.

I also extend my greatfulness and thankfulness to my laboratory colleagues namely Mr. Aninda Mandal, Dr. Ananya Das, Mrs. Suchetana Mukherjee, Mr. Arnab Bhattachrya, Smt. Priyanka Kumari Dubey, Mr. Sandip Halder, Mr. Sudip Kumar Das and Mr. Aveek Samanta for their constant encouragement, suggestions and various helps renderd during the work. I
also thankful to Ashis Halder, Atish Kumar Laha and Rajarshi Biswas (Messmate) for helping me in various ways.

Last but not the least; I am thankful all of my teachers, staffs and research scholars of the Dept. of Botany, University of Kalyani for their consistent vigil.
