

Declaration

I do hereby declare that the thesis entitled “Over-Expression of Stress Tolerant Genes in Endosymbionts and its Application in Stress Management of Hevea brasiliensis” submitted to Mahatma Gandhi University in partial fulfilment of the requirements for the award of degree of Doctor of Philosophy in Biotechnology, is an authentic record of original research work carried out by me during the period January 2008- March 2012, under the supervision and guidance of Dr. M.B. Mohamed Sathik, Senior Scientist (Botany), Crop Physiology Division, Rubber Research Institute of India, Kottayam. No part of this work has been presented for the award of any degree, diploma or other title in any University.
