ACKNOWLEDGEMENT

A Doctoral research work is never the effort of an individual. It is moreover a combination of ideas, suggestions, reviews, contribution and work involving many folks. This thesis becomes a reality with the kind support and help of many individuals. I would like to express my sincere thanks to all of them.

First of all, I would like to thank Almighty God, the most merciful for giving me the opportunity, courage and enough energy to carry out and complete the entire research work.

My deep admiration goes to my mentor Dr. P.C. Sharma, Professor Microbiology, Shoolini University, for his inspiring encouragement, continuous guidance, active cooperation, constant supervision, valuable suggestions, constructive criticism and help in carrying out this work successfully. A heartfelt thanks to Mrs. Sharma, for her kind support, encouragement and personal attention. I have a lot of feelings and thoughts to share but papers and words are inadequate to explain their eminence. I always pray to God for their good health and prosperous life............

I am obliged to Prof. P.K. Khosla, Vice-Chancellor, Shoolini University, Solan for providing infrastructure and financial support to carry out this piece of work.

I would also like to thank my Advisory Committee members Dr. Azhar Khan, Dr. Kamal Dev and Dr. Somesh Sharma for their kind support and help.

I am very much indebted to Dr. Vineeta Sharma, Department of Microbiology, Indira Gandhi Medical College, Shimla (H.P) for providing me the clinical isolates.

Sincere thanks to my seniors Dr. Amit Kumar and Dr. Vikesh Kumar Bhatia, for their friendly guidance and help.

I am thankful to our M.Phil scholars (Jyoti Guleri, Deepti Rana, Anupriya and Divjot Kour) and my roommate (Abhinandan Singh
Pathania) for their sincere cooperation during the entire study period.

I would like to thank our Lab. Attendants (Babu Ram and Dilip Kumar) of Microbiology laboratory, Shoolini University.

I also grateful to Harvinder Singh and Uday Kashyap, Kapil Enterprises, Solan, to resolve computer and software related queries and technical assistance.

I would like to dedicate this thesis as honorable tribute to my grandfather, Late. Sh. Dharam Chand Minhas. He is always alive in my heart and thoughts and I always feel sheltered with his continuous blessings.

A special vote of thanks to my wife, Bharti Minhas. I immensely appreciate her precious suggestions, constant support, kind cooperation, valuable guidance and encouragement throughout my study. Her companionship is really cheerfull and priceless.

I remained incomplete if I do not express wholehearted thanks to the people who mean world to me, my parents Sh. H.L. Minhas and Smt. Nirmal Minhas, my younger brother Atul Minhas and my maternal grandfather Sh. Telu Ram, who always inspired me for higher studies and are my constant source of inspiration and encouragement in every step of my life.

At last, again I would like to thank GOD and I hope he will forgive me if I have done wrong through my thoughts, my actions sometimes by mistake and sometimes on purpose.
